Rosa is VP of Student Life for Petaluma Campus, she wants to create a Student Life committee to plan events and gauge student interest when planning events. Rosa would like to plan an event on October 4 (National Taco Day) and provide a taco bar for students. There's a lot of food insecurity on this campus and Rosa wants to raise awareness for that. Rosa also likes that there was a Coffee Break Monday event this week which is a great opportunity to reach out to our ESL student population and night student population. If you want to help Rosa plan events, this is what they'll be doing in the committee and she's very excited.

Deb is super glad to see all the support for Welcome Week this year, SGA showed up to help as well. This morning was exciting to see students being so involved with these events.

Scholarships deadlines have been extended, please make sure you apply! This is a unique opportunity, the scholarships application doesn't usually open back up.

The volunteer fair is coming up on the first Wednesday of October. We have one of the highest nonprofits per capita, it's a very high number and those nonprofits will be here on campus for you to get to know them and see what opportunities are available. You can also get credits for community involvement that are transferable, it looks great on your resume and your transfer application. If you're involved with nonprofits and want to invite them to be here, please let Deb know, she will connect you to the event coordinators.

They were at the SMART Train Board meeting today and they changed their report so the managers' report was moved in front of Public Comment. They presented about the SMART Passes that are available to our students (\$260 for the whole semester) and to discuss the opportunity that would be here if they opened the North Station. Walter shared the statistics and the committee was shocked. Originally Petaluma's station was ahead of the Windsor to be built, but the agenda had approval of the Windsor station on it today due to the high number of Windsor based folks on the board.

Student Life keeps getting more passes, we have 35 passes available, if you're interested check with Deb after the meeting and we can see if we can help you get a pass too. The students were applauded for their presentation and one of the representatives who worked on the pass memorandum of understanding was very grateful that students were there to present today. Deb would advocate for continuing to go to those meetings to make sure our voice is heard and telling the board to prioritize this station.

<p>Advisor: Toni Bacigalupa</p>	<p>Welcome Week, on Monday we had Constituion Day, it was pretty q Uiet but huge thank you to Shawn and Rosa for coming out. Thanks to the clubs for ocming as well.</p> <p>Wendesday – Hip Hop on the Quad with free food distribution and voter registration.</p> <p>DeRay McKesson event happening at 3:00pm!</p> <p>Thursday, tomorrow is Intramural Sports day, it’s the last day to sign up. We’ll be serving lunch in the form of Safeway catering.</p> <p>There will also be a scavenger hunt with cool prizes for folks who want to participate!</p>
