Friday 8:00-3:00pm
527-4460

- Student IDs
- CyBear Center (see page 7)
- Student Lounge

Letter From the A.S. President

Dear Fellow Students,

Hello! I am excited about serving you as your Student Body President for the 2000-2001 school year. We are currently planning some great events this year, some traditional like the Used Book Faire and Lost and Found Auction, but also some new events. These include Career Days, Work-it-Out Wednesdays & Addictions Awareness Week.

I know it can be difficult to balance all of the pressures of school, work, family, etc. but if you are concerned about decisions made on campus and are looking for a way to help the student voice be heard, like to plan events, work with administration or legislators, or gain leadership skills, please consider joining us here at the Associated Students. There are many positions available with all levels of time commitment. Give me a call at 527-4571 or stop by the Student Activities Office, located next to the Bookstore. Have a great year!

-Gretchen Marino, A.S. President

Join the Associated Students!

What You Will Receive When You Join The A.S.

A.S. Committes

Legislative Committee

The Associated Students Legislative Committee, chaired by the Vice President of Legislation, meets every Thursday from 1:00 - 3:00pm in Pioneer Hall. The purpose of the Legislative Committee is to foster and encourage the democratic process and political action by involving students in educational issues and legislation that affects their lives on both local and national levels. In order to be more effective in our role, students work with the California Student Association of Community Colleges (CalSACC), a statewide student lobbying organization. Through CalSACC, important legislative information is funneled down to community colleges. All students of SRJC can become involved with the Legislative Committee. Participation is encouraged and always welcome. Stop by for a meeting or come by the Student Activities Office if you are interested.

Inter-Club Council

The Inter-Club Council is the governing board of all campus clubs. The council meets on Tuesdays from 12:00-1:00pm and is a collection of representatives from every club on campus. If you have a special interest or passion, there may be a campus club for you. Any student can form a club at Santa Rosa Junior College by filling out some paperwork and attaining a faculty member to act as an advisor. For further information, or to see what clubs are currently available, contact the Vice President of Organizations, Rose Schumaker, or the Activities Advisor.

Membership & Marketing

The Associated Students Membership and Marketing Committee, chaired by the Vice President of Finance, meets on Wednesdays from 3:00-5:00pm in Pioneer Hall. The committee was created to analyze ways to increase Associated Students membership. The Membership and Marketing committee will also oversee the marketing and public relations aspect of the Associated Students. If marketing or public relations is your forte, if you want it to beef up your resume, or if you just want to get involved on your campus, please come to the Student Activities Office or to one of our open meetings.

Campus Activities Board

The Campus Activities Board (C.A.B.), chaired by the Vice President of Programming, meets every Monday afternoon from from 1:00-3:00pm. C.A.B. is responsible for making college life fun and interesting by providing you with creative and educational programs. Do you like to be intellectually challenged? Listen to music? Take to edge off a stressful day? If so, then you will love the work of the Campus Activities Board. C.A.B. is always looking for new and exciting ideas from students that are interested in planning, coordinating and staffing events and programs on campus. We have a lot of great plans for 2000-2001, and need you to help make it happen! Our first event will be Welcome Day on Wednesday, August 30, from 12:00noon-1:00pm on the Coop Patio and we promise that it will be the first of many fun-filled activities this year. If you would like to help with these events, or have some ideas of your own, drop in on our next meeting and join us! We promise that with C.A.B., you'll have the ride of your life!!!

Petaluma Campus Council

The Petaluma Campus Council (P.C.C.), chaired by the Vice President of the Petaluma Campus, meets every Tuesday evening from 4:00-6:00pm in the Mahoney Library at the Petaluma Center. P.C.C. was formed during Fall Semester 1997 to act as the leadership link between Petaluma Center students, the SRJC district, and the community at large. We are dedicated to enhancing the "campus life" of students by providing activities and entertainment at the Petaluma Center. In addition, we act as the governing council for all clubs formed on the Petaluma Campus. P.C.C. is actively seeking students to help plan and facilitate events and students that would like to improve and develop their leadership skills. Come to one of our meetings; they are open to the public, or call 778-2410 for more information. Help make the Petaluma Campus a great place to be!

Why Should You Get Involved in Student Government? Find Out on Page 13.

Why Get Involved?

What Can Student Government Offer You?

Leadership Training

Student government teaches the value of leadership, learning to become a force in your chosen profession and our community. Learn to develop skills in organization and goal realization through participation. Potential for leadership begins with good training.

Camaraderie With Other Leader-Oriented Students

Get to know other students locally and state-wide, who share the same commitment to action as you. Work with people who are accomplishment oriented and people who will become your friends and important business contacts for life.

Involvement in Community Service

An opportunity to learn the needs of your community and environment, how you can help community service organizations, and a chance to help others in realizing their goals.

Opportunity to Change the Political & Social Environment

Find out how SRJC is organized, how the power of student government makes a difference on campus, and how you can influence and improve on these structures for yourself, for your school and for the larger community.

Academic Units

Students can enroll in Interdisciplinary Studies 51 or Community Involvement 52 and receive units based on participation in Student Government Assembly, Inter-Club Council, Campus Activities Board or Legislative Committee.

Find out more about SRJC Student Government.
Visit the Student Activities Office or phone 527-4424.
Get involved today and be rewarded for a lifetime!
