Meeting #1
September 16, 1969

I. Call to Order

The first meeting of the Fall Semester was called to order at 12:14 p.m. by Chairman Larry Gibson.

II. Roll Call

The clubs absent at the first meeting were: Black Student Union, Christian Varsity, Delta Psi Omega, Engineers Club, Hawaiian Club, Home Economics, Interfaith, Masque & Sandall, Medical Assisting, Spanish Club, Tau Pi Rho, and Young Democrats. New Clubs names not included on the roll were: English Culture, LDSSA, and the Awareness Club.

III. Approval of Agenda

Several revisions were proposed for the agenda. Corrections were: add Money Making as a separate heading between New Business and Announcements, correct the numbering, and include the approval of the minutes. The agenda was then approved as corrected.

IV. Approval of Minutes

One correction was made on the minutes from Spring semester. The correction consisted of notifying representatives that a continued sentence had been omitted. The minutes were then approved as corrected.

V. Reports

Chairman--Larry Gibson welcomed everyone. He introduced ICC Secretary, Donna Williams; Parliamentarian, Steve Cabot; Advisor, Mr. Canevari; and himself. He proceeded to discuss the problem of the Lost and Found; that it is in need of a supervisor to auction the items. In the binders that were passed out to representatives Larry asked that all clubs fill out the cards for the club accounts in the Student Activities Office and turn them in at the next meeting, at which time Larry Gibson will have a nominee.

A motion was then made by the Chairman to approve newly formed clubs on campus. The motion was seconded. Discussion was held and the motion was then passed.

Parliamentarian--Steve Cabot read the ICC Code to inform all the representatives of the proper procedures.

Advisor--Mr. Canevari urged a club to take over the Lost and Found. The Law Enforcement Department desperately needs a club to auction off the items at a profit. The club would keep half of the money made and the other half would be given to the Dean's Loan and Assistance Fund. A volunteer is needed.

Bank accounts for clubs have to be kept on campus in the Student Activities Office. To withdraw money the clubs must make out slips and present them in the office which offers 24 hour service. This account is for the clubs own protection.

Mr. Canevari also stressed the importance of the Account Cards to the members, and the importance of the information sheets and urged the clubs to turn them in as soon as possible.

VI. Old Business

A. Steve Cabot read the rules for the Best Club trophy. The trophy is presented two weeks before dead week. Circle K was the last recipient of the award. Any club can obtain this trophy if it has the desire.

VII. New Business

A. Chris Zeek, representative from Circle K, moved to accept Donna Williams as ICC Secretary and Steve Cabot as Parliamentarian. The motion was seconded and approved.

B. Nominees for ICC Representative to CSA were: Siri Emblem and Chris Zeek. Nominations were then closed and a vote was cast. Chris Zeek was elected to be ICC's Representative.

C. Club Day is the 26th of September. All clubs are urged to get their booths organized.

VIII. Money making Requests

Three money making requests were postponed until the next meeting: WLC and Delphi for the Queen Contest and Circle K on the auction.

IX. Announcements

Chairman Larry Gibson thanked everyone for attending and the representative from Current Affairs announced that a benefit concert in San Francisco at Long Shoresman Hall Featuring Joan Baez is being held. Admission is \$2.00.

X. Adjournment

Current Affairs moved for adjournment, the motion was seconded by Circle K and the meeting was adjourned at 1:00.

II. Flag Salute

The flag salute was led by Mike Garden.

III. Roll Call

Absent were representatives from: Delta Psi Omega, Engineers Club, Interfaith, Masque & Sandall, Medical Assisting, Spanish Club, Tau Pi Rho, and Young Democrats.

IV. Approval of Agenda

The agenda was approved as written.

V. Approval of Minutes

The minutes were approved as written.

VI. Reports

Chairman--Larry Gibson said that all of his reports would be included in New Business.

Parliamentarian--Steve Cabot reminded the clubs that all new constitutions must be turned into him before they are to be presented before ICC.

Representative--Chris Zeek reported that CSA discussed women visitation, abolishing the Dress Code and made known the different appointments made by Jeff Hess.

Advisor--Mr. Canevari asked SBC and MLC to pick up their checks at the Student Activities Office. All clubs require receipts for club deposits. He asked the officers to be sure that their requests got to the secretary and were not just dropped on the desk.

VII. Old Business

A. Money Making Requests--the two money making requests from MLC and Delphi that were postponed from last meeting were brought up for debate. Each club stated their qualifications and specific reasons why they should have Homecoming. A motion was made by the Chairman to vote on Homecoming Sponsor. MLC won.

The item of the Lost and Found Auction that was also postponed was also brought up to a debate. Three clubs competed for this project: Circle K, Christian Varsity, and Alpha Gamma Sigma. After their talks by each club representative as to their qualifications a vote was motioned. A suggestion was made by Buddy Clark to let the three clubs sponsor it together and split the profits but Mr. Canevari stated that the profits were not large enough so it would not be feasible. A vote was held and Circle K was granted the auction.

VIII. New Business

A. Nominations and election for Off-Campus Speakers Committee-- Larry Gibson said that he would have the three students needed on the committee for the next meeting. Mr. Canevari told the representatives that all clubs can have anyone speak to only their club but if they open their meeting to the whole school they then need an Off-Campus Speakers Requisition from ICC. The form is then voted on by the members of the Off-Campus Speakers Committee which consists of three students and three faculty members. The committee will meet when needed.

B. Approval of Vice-Chairman--Tom Rodella was the Chairman's choice as Vice-Chairman. His qualifications are: he is currently Finance Commissioner and was a former ICC member. Circle K made a motion to approve Tom Rodella as Vice-Chairman. It was seconded. No discussion was held and the vote was cast. Tom was elected as ICC Vice-Chairman.

C. Club Day--for Club Day requisition forms must be filled out and turned in today. A map will be made showing the locations of the various clubs. The maps can be picked up at the Student Activities Office. There they have a booth which is located in the center of the clubs booths with the official sign-up list. This is in existence so that selectivity does not occur. Pick up for materials is 10:45.

D. Chariot Races--are to be held over until next week.

Rich Truax made a motion that ICC back up CSA's requisition to abolish the Dress Code. It was seconded and discussion held. The motion passed.
