V. Reports

Chairman--Rich Brantingham reported that clubs must have turned in to the Associated Students Office the signatures of those responsible for the money before they can sign any money in or out.

All clubs which have not yet turned in club information sheets must do so.

Reporting on the CCICCA Conference, Rich said that he was proud of those who attended; namely Chris Zeek, Cheryl Munson and Brad Knickerbocker. Chris chaired one section, and Rich was a member of the Resolution Screening Committee. One suggestion which Rich stated that he'd work on is having ICC separate from and equal to CSA.

Parliamentarian--Chris Zeek stated that Rich was the only member of the Resolution Screening Committee, and led a standing ovation in appreciation for Rich's work at the conference.

ICC Rep to CSA--Brad Knickerbocker explained his written report and thanked ICC for the opportunity of representing it at the conference.

Advisor--Mr. Canevari announced that Club Day went off well; the complaints or "Grousing" about the Tug-of-War restrictions should be handled through its sponsor next year.

The tape of the SRJC Golden Jubilee March is with the lyrics writer and should be available for playing at the next meeting.

CSA motion concerning sponsoring a Flea Market should be thought about.

VI. Old Business

A. CCICCA: Money--This concerned expenses for food, gas, and conference costs. Brad moved that ICC reimburse Rich \$16.42 for expenses incurred to and at the CCICCA conference. This

was seconded by Fran Blaylock and passed. Suggestions were then made to Chris Zeek as to what he should do with his \$3.42 financial windfall.

VII. New Business

- A. Sponsor Event for Speech Tournament--Brad moved that ICC sponsor the Oratory portion of the Speech Tournament at \$30. This was seconded by Fran, discussed, and passed.
- B. Club Members on Committees--This was from the Idea Corner in the Student Activities Office; clubs whose members actively participated in this way might get credit toward the Best Club Trophy. This will be discussed further.
- C. From the Floor--Fran reported that Open Forum Committee suggested the possibility of a Campus Discrimination Week, during which, for example, all blondes would be discriminated against. Brad moved to postpone the matter indefinitely. This was seconded by Chris and passed.

Mr. Canevari stated that College Night is officially supported by the Associated Students and will be held on Friday, April 18. It has had before and needs this year the enthusiastic support of ICC for many jobs. This is also useful towards the Best Club Trophy. He asked that clubs begin getting commitments of the numbers of volunteers available.
