Meeting #1
September 15, 1970

I. Call to Order
Chairman Mark Karahadian called the meeting to order at 12:09

II. Flag Salute
The flag salute was led by Terry Calahan

III. Roll Call
There were 18 club representatives in attendance. Absences were excused.

IV. Approval of Agenda
The agenda was approved as written.

V. Approval of Minutes
The minutes were approved as written.

VI. Reports
A. CHAIRMAN: Mark Karahadian welcomed all representatives to Inter-Club Council and informed them that they would each receive binders with all the information needed to function at each weekly meeting. He also discussed the matter of attendance, putting emphasis on the fact that all clubs should have a representative and one alternate, so as to avoid absences. Excused absences will be permitted only if a conflicting matter prevents a representative from attending.

Mark stated that he would like to encourage the start of new clubs especially Young Republicans, Young Democrats and possibly an Ad Hoc committee for Wilson Riles.

Club Day was the next item discussed on the agenda. Mark said he wants "super excitement" on club day and he hopes all clubs will band together and create a feeling of oneness. Mark suggested that representatives start thinking about possible nominations for the ICC Speakers Committee which is comprised of three students selected by ICC.

Mark finished his report by discussing the importance of checking mailboxes daily, the new policy on the mimeograph machine and reminded each club representative to fill out and return the club account cards to the Student Activities Office.

B. ACTIVITIES ADVISOR: Mr. Canevari welcomed everyone to Inter-Club Council and stated how important clubs are on campus. He said that clubs are a focal point of activities that occur on campus and he admitted "things would be pretty dull without them." He pointed out that ICC has gained quite a bit of control in the matters of money making requests and outside literature that is distributed on campus. He elaborated a bit more on the duties of the Speakers Committee.

Mr. Canevari then reported that the Board of Trustees had accepted some revisions to the Student Conduct Guidelines. They have disclosed that Ad Hoc committees may exist legally for nine weeks upon approval of ICC without being represented in ICC and also without having to draw up a constitution.

At the end of the nine weeks they have the option of disbanding, becoming a club or applying with ICC for an additional nine week extention. A statement is required from each perspective group as to their aims and objectives.

Mr. Canevari also put in a few words about Political Science 50 and the requirements. He stressed the importance of club accounts and urged that all clubs deposit their money at the Student Activities Office.

VII. Old Business

A. From the Floor:

Larry Gibson, Student Body President expressed whatever comes out of ICC at the end of the semester is what the representatives and officers make of it. He wants everyone to work together as much as possible.

VIII. New Business

A. Appointments:

Introduction of Secretary, Peggy Christian, Vice-chairman, Terry Calahan, and Parliamentarian, Chris Zeek. A motion was made to accept the appointments of secretary, vice-chairman and parliamentarian. The motion was approved.

B. ICC representative to CSA:

A motion was made that nominations and elections of an ICC representative to CSA be postponed until the next meeting because all representatives were not present.

C. Club Day:

Mark specified the kind of club day he would like to see. Club Day has been set for Friday, September 25, 1970.

Mr. Canevari added that tables are running short and if possible that clubs bring their own if they wish to be secure in getting one.

D. Homecoming:

Mr. Canevari gave a short spiel on homecoming activities. He then asked for a decision to continue Pre Game activities and a public opinion poll on the Afternoon events of Homecoming. Both events were voted on, and all members agreed to continue afternoon events and Pre Game activities. There was a discussion about professional entertainment but nothing was really decided because of a lack of Student Body funds. Next week money making requests will be accepted for homecoming.

E. Off Campus Speakers Committee:

Motion was made to postpone appointment of Off Campus Speakers Committee until next meeting.

F. From the Floor:

Mr. Canevari mentioned the approval of the annex for a new Student Activities Office and asked for suggestions on the building plans.

IX. Money Making Requests

A. Delphi requested to sell brownies and cookies for a charge of $.05 on September 22, 1970. ICC approved the request.

The French Club requested to sell coffee to Night Students on the entire campus. They were granted permission to use coffee carts on campus. ICC approved the request.

The French Club also asked to have a Flea Market in Bailey Field Parking Lot. Due to lack of time a motion to postpone discussion until next week was made.

Chairman Mark Karahadian called the meeting to order at 12:12

II. Flag Salute
The flag salute was led by Larry Gibson

III. Roll Call
There were 21 clubs present. Clubs absent were Aero Cubs and Native Americans. Latter Day Saints were excused.

IV. Approval of Agenda
The agenda was approved as written.

V. Approval of Minutes
The agenda was approved as written.

VI. Reports
A. CHAIRMAN: Mark Karahadian asked all clubs to pick up ICC binders in the Student Activities Office. He also appealed to all members that club information sheets be filled out and returned so that a master copy may be made up giving all data on all clubs. He briefly reminded clubs to get club account cards into Mrs. Fisher.

Mark informed everyone that Club Day Requisitions were available to any club that wished tables, chairs and backdrops. He insisted that all requisitions be in by Wednesday, September 23, 1970 at noon. He also mentioned that there were two new additions to the binders, The Administrative Code Number One and Speakers Guidelines.

During the summer, information was received from Mr. John Jenkel from the Sonoma County Tax Payers Association and he stated that he would greatly appreciate any information of interested clubs that would like to work with the Tax Payers Association. Any club interested please contact Mark.

Mark also mentioned that he had a file on the World's Finest Chocolate. Any club interested in a money making project get in touch with Mark.

Mark suggested that anyone concerned about Student Faculty Committees to get envolved. He particularly emphasized the Student Curriculum and Instruction Council and if anyone were interested to get in contact with Jim Burnside.

At this time, Mark granted Larry Gibson permission to speak on an Ad Hoc committee for Jesse Unruh. Larry asked for ICC approval to start an Ad Hoc committee. He briefly explained the necessity of this particular committee and asked that a motion be made to approve it. Mr. Dodds will be the advisor. A motion was made to accept an Ad Hoc committee for Jesse Unruh. The motion was approved.

B. SECRETARY: Peggy Christian asked that all clubs please get the club information sheets in to Student Activities Office. She read a statement on absences which read: Any clubs not represented at two consecutive meetings or three intermittent meetings, shall be subject to a fine of $5.00. If the club fails to pay the fine within two weeks of notification, the club shall lose all recognition by ICC until the following semester.

C. PARLIAMENTARIAN: Chris Zeek informed all members that ICC is basically run on Sturdis Standard Rules of Order. He explained how simple a motion is made.

VII. Old Business

A. ICC rep to CSA

Nominations were open for ICC rep to CSA. Those nominated were John Carroll, MLC, Terry MacPherson, Ski Club, Ken Williams, J.C. Power & Light and Genie Dietz, Delphi. Mark gave a brief account of the duties the representative would have. He stressed the importance of the fact that this representative is a voting member in CSA and should be someone who is adequate to fill the job. Nominations were closed and the election was held. John Carroll was elected as ICC rep to Csa.

B. Club Day

Club Day is this Friday, October 25, 1970. Freshman Representatives will be giving their talks.on the outdoor stage. Please get requisitions in by noon Wednesday, Sept. 23, 1970. Mark requested that a motion be made so that new clubs and Ad Hoc groups that would normally not have a booth, be given permission to set up a booth on club day. This motion was approved. Each club will be limited to one table since there is a shortage.

C. Off Campus Speakers

The Student Conduct Code says that ICC must approve all off campus speakers sponsored by a campus group that is not going to speak at an individual club meeting so with this in mind, Mark appointed Cory Spencer, Ken Williams and Bruce Higley to the ICC Speakers Committee. The three faculty members on the committee this year are Mrs. Pollard, Mr. Rubin and Dr. Simons. Meetings of this committee will only be held when off campus speakers requests are made.

D. Money Making Requests

The French Club was granted permission to use Bailey Field Parking Lot for a Flea Market on Ontober 10, 1970. Cory Spencer clarified the details and explained the operation of the Flea Market. A motion was made to accept the Flea Market request. The motion was approved.

Money making requests for Homecoming were brought up and Mark noted that none of the requests overlaped.

Circle K will be providing cars and drivers for the Queen Contest. WLC will be sponsoring the Queen Contest. MLC will be sponsoring the chariot races. A motion was made to allow each of these clubs their grants. The motion was approved.

E. From the Floor

Sharon Anderson, AWS representative, asked for a vote on a money making request to sell Sno Cones on Club Day. This request was brought up in CSA on Monday, Sept. 21, 1970 but Mark thought that the AWS project might conflict with a club, maybe wishing to sell Sno Cones on club day. Since it is club day and ICC is sponsoring it, he asked if a vote could be taken in ICC before permission was granted to AWS. His request was adhered to in CSA and since there is no conflict a motion was made to allow AWS to sell Sno Cones on club day. The motion was approved.

VIII. New Business

A. Constitution Committee

Mark gave a brief run down on the Constitution Committee. If a new club starts or an old club needs a constitution revised it is taken to the parliamentarian, Chris Zeek and he will correct technical errors. He relays it to the Constitution committee where it is usually approved. The

The Constitution Committee is comprised of chairman, Mark Karahadian, Vice-chairman, Terry Calhan, two non-Csa members and one Csa member. Of the two non CSA members, Mark has selected Chris Zeek and Pat Parks to be on the committee. John Busek is the CSA member who will also reside on this committee.

B. From the Floor
A written application was submitted by the Current Affairs Club to apply for status as an Ad Hoc committee. The application read as follows:
We hereby apply for status as an official Ad Hoc Student Group. The name will be "The Bizzarre Student Union." Membership will be completely open. Purpose will be to advance the Culture Apocalypse." Voting on this committee was postponed until the next meeting.

VI. Reports
A. CHAIRMAN: Mark Karahadian pleaded with club representatives to get account cards and club information sheets into the Student Activities Office. He once again mentioned the letter from the Sonoma County Tax Payers Association. Anyone interested, get in touch with Mark. Mark asked if club or person has a legitimate complaint, to bring it to the Student Activities Office instead of the President.

ICC has an insert page in the Oak Leaf. Any club wishing to use this page for announcements feel free to do so. All entries must be submitted to the Oak Leaf office by 3:00 Thursday of the preceding week before the Friday the paper comes out.

B. SECRETARY: Peggy Christian asked that clubs who have not picked up ICC binders, to please do so.

C. PARLIAMENTARIAN: Chris Zeek announced that the Constitution Committee will have to meet to approve amendments to the Baha'i Club's constitution.

D. ICC REP. TO CSA: John Carroll reported that Ken Beyries proposed four amendments in CSA. First amendment was to combine Rallies and Assemblies Commissioners on one ballot. Second, was to combine Hyde Park Open Forum and Mid-Day Series representatives onto one ballot.

Third, was to remove Head song and cheer leaders from CSA into ICC. Fourth, was to remove A.W.S. as a voting member in CSA. This last amendment was defeated.

E. ADVISORS: Mr. Canevari brought up the fact that the School of Ecstasy (which wants to form as a club) is a sub-committee of the College Curriculum and Instruction Committee. He wanted to know if they would retain their status as a sub-committee as well as being a club. They will remain as a sub-committee with some revisions.

VII. Old Business

A. AD HOC COMMITTEES: Postponed from last week was the voting on the Ad Hoc committee for the Bizzarre Student Union. Jeff Woodruff briefly discussed the purpose of this committee which would be to bring together all the cultural happenings and to work out an approach to living. A motion was made to accept the Bizzarre Student Union as an Ad Hoc committee. The motion was approved.

A motion was made to approve an Ad Hoc committee for Wilson Riles. A condition was put on this motion since there was no advisor at the present time. As soon as an advisor is assigned to this committee it will legally be an Ad Hoc committee. The motion was approved.

B. FROM THE FLOOR: Cory Spencer had a letter for each club rep in regards to the Flea Market. There were two amendments of importance. One, stating that the deadline for registration is October 6, 1970 by 3:00 and two, only $2.50 will be refunded if your club wishes to withdraw the registration by 5:00 p.m. October 7, 1970.

VIII. New Business

A. Steve Cabot thanked all clubs that contributed to get the Communication Paper off the ground. He also told all clubs that they could contribute to the paper anytime.

B. David Herrington discussed the issue of hazing. He was in ICC from CSA to inform all members what could happen if someone were to carry out the law. He read from the State Education Code, Article 8, the following:

As used in this article, "hazing includes any method of initiation into a student organization or any pastime or amusement engaged in with respect to such an organization which causes, or is likely to cause, bodily danger or physical harm to any student or other person attending any school, college, university or other educational institution in this State; but the term "hazing" does not include customary athletic events or other similar contests or competitions.

No student, or other person in attendance at any public, private, parochial, or military school, college, or other educational institution, shall conspire to engage in hazing, participate in hazing, or commit any ace that injures, degrades, or disgraces, or tends to injure, degrade, or disgrace any fellow student or person attending the institution.

The violation of this section is a misdemeanor, punishable by a fine of not less than fifty dollars ($50), nor more than five hundred dollars ($500), or imprisonment in the county jail for not more than six months, or both.

Any person who participates in the hazing of another, or any corporation or association which knowingly permits hazing to be conducted by its members or by others subject to its direction or control, shall forfeit any entitlement to public funds, scholarships or awards which are enjoyed by him or by it and shall be deprived of any sanction or approval granted by any public educational institution or agency.

The governing board of any public school, public college, public university or other public educational institution or agency may adopt rules and regulations to implement this section.

If he has reason to believe that a forfeiture should be declared under this section, the Attorney General or the district attorney of any county or city and county may institute a special proceeding in the superior court to establish such forfeiture. Any funds so forfeited shall be deposited in the State Treasury and credited to the State School Fund.

Extra copies of the Education Code were available to those members who wished them. An elaborated discussion followed David's report, with Dr. Dougah pointing out why anti-hazing laws came into effect. He frankly stated that hazing was to be done at your own will but not on campus. Any person who had further questions were to get ahold of David Herrington, Mr. Canevari, or Dr. Dougan.

C.FROM THE FLOOR: A question was brought up about the conduct of members. If all members are not measuring up to club selectivity that member may be dismissed.

October 20, 1970

I. Call to Order
Chairman Mark Karahadian called the meeting to order at 12:09.

II. Flag Salute
The flag salute was led by Terry Calahan.

III. Roll Call
There were 21 clubs represented. Those absent were Auto Service and BSU. Baha'i and Aggies were excused.

IV. Approval of Agenda
One correction was made to the agenda under Old and New Business and that was to add Item B From the Floor. The agenda was then approved as written.

V. Approval of Minutes
The minutes were approved as written.

VI. Reports
CHAIRMAN: Mark Karahadian mentioned the subject of absences. Those clubs who are in conflict with the absence ruling are Ski Club, BSU, and Hiking Club. Mark made a motion that these clubs be fined $5.00 for violation of the absences ruling. The motion passed. Notices will be put in each of these clubs boxes. They have two weeks to pay the fine before action is brought against them.
No money has been received from the various clubs who have been fined for failure to get club information sheets in on time. Those clubs who should be concerned with this matter are Alpha Gamma Sigma, Hiking Club, J.C. Power & Light, Ski Club, SBC, Latter Day Saints and BSU. Please get your fines paid immediately.
ADVISOR: Mr. Canevari congratualed Mark on a successful Homecoming and also a special thanks to MLC, WLC, and Circle K for all their help.

VII. Old Business
A. HOMECOMING: The subject of Homecoming was discussed quite elaborately. Several decisions were made as to the planning of Homecoming for next year. ICC as a body voted to delete the Barbecue and the Chariot Race from planning for next year's Homecoming. The reasons given for this decision were that students were just not interested. If ICC would like to reorganize these events next year that will be their privilege. A motion was made to delete both these events from planning for Homecoming for next year. The motion was passed. The Queen Contest will be in the planning for next year's Homecoming but Chris Zeek suggested that it be open for some changes. The motion was passed.
A change in the Publicity and Election Codes will be made soon due to the campaigning for the Queen Contest and the displeasure of some of the Clubs.

VIII. New Business

A. PERSONALIZATION OF CHRISTMAS: Mark explained that CSA was planning a project to boycott the commercialization of Christmas. He voiced the fact that many stores already had Christmas decoration up and were selling Christmas merchandise. The officers in CSA want to try and do something about this commercializing of Christmas. A suggestion was made that we have a flea market similar to the one that the French Club had so that students could trade gifts and sells things that they have made. There was also the idea to sell live Christmas trees. If anyone has any suggestions contact Mark or anyone in CSA.

B. FROM THE FLOOR: The matter of College Hour was brought up and this motion was asked for a vote:

WHEREAS questions have been raised by ~~two members of~~ the Academic Senate regarding ~~the position of the Associated Students on~~ the maintaining of the present Monday, Wednesday and Friday 12:00 p.m. - 1:00 p.m. as College Hour, and

III. Approval of Agenda

V. Reports
Chairman: David read a letter from the Acedemic Senate. It reported the Senate at its meeting of October 28 passed a resolution supporting the retention of College Hour in its present form for the spring semester, 1971. The letter also informed I.C.C. that the only class now scheduled for College Hour is a chorus class and that the reference to "encroachments on College Hour by scheduled laboratory periods" may not be, strictly speaking, accurate.

David reminded the clubs that their mailboxes must be cleaned out and if they're not the contents will be thrown out each friday. David also announced that because of their failure to pay their $5.00 fine to ICC for absences, BSU is no longer an active club on campus. S'Bettes owe a $5.00 fine which must be payed within two weeks.
ICC rep. to CSA: The rep. reported that CSA put back $2,000 for insurance and now will use $1,000 from the awards budget and $3,000 from excess in Student Body fees for experimental grants.

VI. Old Business
A. Candy Cane: ICC recieved a letter from WLC showing discontent with ICC for letting both Delphi and WLC sell candy canes. It was brought up that WLC has not ordered their candy canes yet but Dephi has placed their order. It was printed out that Delphi has only 8 active members and proves to be no threat to WLC. Since the order has to be 3,000 candy canes, WLC suggested that one club order the cand and then split it between the two clubs. It was suggested that the clubs sell on the same day and time, but different locations on campus. It was finally decided that the two clubs would have a joint meeting and bring back the results to ICC.
B. From the Floor: Mr. Canevari brought up the money making reguest from WLC to have the back-rub at Kent Hall. The Feminists were protesting the activity. Mr. Canevari brought it out that the problems on activities

should be brought before the money making requests are passed. Once the activities are passed the Administration backs the club. Those interrupting the activity will be charged with misconduct. WLC decided to ignore the Feminists.
A motion was made to make a Bike Club Ad. Hoc. Committee. It was passed with the stipulation that they find an advisor by the next ICC meeting.
A motion was passed to make BSU an Ad. Hoc. Committee with John Ray as the advisor and Larry Farrell as President. Mr. Canevare reminded them that an Ad. Hoc. Committe must still bring Money Making Requests or permits for speakers before ICC. They will be the same as a club but will last only 9 weeks and they will have no Constitution, or ICC rep.

IV. Reports:
Chairman; David Herrington reported on the State Conference that he and four other delegates attended in Fresno on Nov. 22,23,and 24. He reported that some good legislation was being carried on, such as ecology, J.C. graduates given priority to places of higher education, etc. The total delegation agreed that only the President should attend State Conferences. David also reminded everybody that Dec. 4 the candidates for Student Body Offices would be speaking in the auditorium, and that on Dec. 9 the elections would be held.

S'Bettes payed their $5 fine to ICC they owed for absences.

David reported that the Constitution Committee went over Rich Andrus' constitution. There is a desire and need for campus work. There are loopholes in the constitution, but it is just an outline. Hopefully it will be experimented with next semester to see if there is a real interest.

The Bizzarr Student Union, Jess Unruhn and Wilson Riles are no longer ad-hoc committees.

The Hawaiian club because of absences is no longer an active club on campus.

Steve Kelly announced that on Dec. 12-13 ther will be a food drive. They need approximately 100 people to go door to door to collect food. Trucks are being provided by the Rotary Club of Santa Rosa. ICC recieved a letter from Bahai'i. They asked ICC to recognize Bahai'i week which is Dec. 7-11. A motion was made and passed.

V. New Business
A. Charles Porter cmaa before ICC as a spokesman from BSU. He had many things to say about and to the clubs:
1. There are too many levels of Government on campus.
2. BSU doesn't have time to play politics.

3. There high-handed tactics being used.
4. ICC was out of line by setting the fine of $5.
5. Punishment for the crime of not being at ICC was unjust.
6. BSU is happy to be out of ICC.
7. They will not be an ad-hoc committee, but the same BSU they always were.
8. ICC as a body should recognize that there is no need for student governmant.
9. BSU will not come before ICC any more but will carry on as usual.
10. BSU is not a social group and should not be bound by petty rules of social groups.

Mr. Canevari told Charles that his attitude was antagonistic. BSU should have someone at ICC to commicate with the rest of the clubs as to what each is doing on campus. Charles stated that to have to come to ICC to get permission for things shows a lack of faith. Genie Dietz stated that they were not checking up, but co-ordinating things.

BSU is no longer a club or an ad-hoc committee and will be completey free of ICC.

B. From the floor: WLC Asked to pass out free bread in the coop for the spirit of Christmas.
