We are love

we are one

we are stronger together

we are love

We are one

Now we are banding together

To protect the liberty

Of every you and every me

We are are one family, one heart, one nation

-Nick: There is research done that shows that singing in a meeting context helps unify the people in the meeting or group

B. (Doug Roberts) Weekly budget update

- **Doug: Revenues are not coming in as high in 2015-2016 so that affects how funding will be handled in the 2017-2018 year. We are going to be given money available through restricted funds. We are going to receive 1.9 million dollars, we are going to lose 2.5 million and also lose 1.5 million in ongoing expenditures. January is the start of the budgetary season the next budgetary update is in May. Budgetary revise is the money received in April. One of the factors but not the only one, when unemployment is down generally enrollment is down.**

Eduardo: Would Affordable student housing help enrollment?

Doug: Yes, it would, but it would take a long time to be able to see the effect.

Jordan: Is it possible to lower the parking price to \$50?

Doug: Everything is possible, the question is, what is the tradeoff? We would be taking money out of the unrestricted general fund. To make any change in that fee you would have to present it to the Board and we already have.

Doug: I want to encourage if you have any questions how the money goes and how it is spent s about , call my office extension 4421.
