Jordan: If you have any questions about this contact Sabrina

VII. Old Business Items: Hector: A motion to amend "a motion will" to "a motion may" in the agenda

S: Maria

VIII.

At this time the SGA will discuss and possibly take action on the following items that were brought up in a previous meeting:

M: Lamont

S: Eduardo

- A.** A motion ~~will~~ **can** come forward for Student Government Assembly of the Santa Rosa Junior College to endorse a candidate for the 5th District of the Board of Supervisors - Sonoma County

LEAD/FOLLOW-THROUGH: Student Government Assembly

Fernando: What does this endorsement mean?

Jordan: An endorsement entails Student Government Solidarity, how I was looking at it was taking a picture with the candidate that shows the S.G.A. supports the candidate.

Zack: It is kind of saying the the whole body of the SRJC endorses the candidates.

Robert M: I still think we should wait, I think we should make sure that we hear the rest of the students voices, I think it's really important that we get this right if we do do this.

Eduardo: We tabled this item last week just to give each other two weeks just to let the students know, I would suggest that we do take action on this item today.

Lamont: This is a historical event for S.G.A. to get involved in local government. I think that the way that this item is written and I think that it could be amended. I think that we should vote to pass this motion and amend it in order to take it to the student body.

Maria: I would not feel comfortable with voting on this item

Hernan: I motion to endorse Noreen Evans as the candidate for the 5th District of the Board of Supervisors of Sonoma County

S: Lamont

Robert: My advice is to stay out is that you be careful with County Politics because once you make an endorsement

Hector: I would not feel comfortable voting for either individual

Fernando: I would like to clarify that if we do move forward with this motion that they clearly understand that the institution is endorsing and at the same time that it is noted that we are taking action within law, as long as it is within law then I feel comfortable in moving into a vote.

Sabrina: Coming out of an explosive election I think that we have done great job of coming out of this. I think that there could be the possibility of having the light of S.G.A. could have a negative connotation on this item.

Will: I don't know if how many people here live in the 5th district, If I could vote I would abstain from voting on this item

Lamont: I want to clarify that we had, I think it is

Ian: Traditionally the student government has given a candidate an individual endorsement, you can encourage your members to individually endorse a candidate.

MOTION OUTCOME:

LEAD/FOLLOW-THROUGH: Sarai Vargas

Have a filtered system for the S.A.O. space so we could have a water filter system in the offices. Sometimes we are here after hours and we don't have access to water fountains that are nearby.

H: Move to amend what the proposal says (amount) S: Sarai

- D.** A motion ~~will~~ **can** forward to waive IPD vendor fee **M: Hector S: Gavin**

LEAD/FOLLOW-THROUGH: Rai Zaragoza

Rai: I wouldn't feel comfortable charging people to be in a space to express themselves.

Jordan: V.P. of finance can I get your input.

Gavin: For sponsorship for those vendors, if vendors are providing services for free it would be disrespectful for us to charge them.

Ian: Make sure you apply your decisions equitably for future events, keep this in mind that any time you make a decision like this you are potentially setting precedence.

Robert: We should probably specify

Gavin: For the time being we would like to set precedent in future events

Fernando: On student Life we have charged for a vendore to come to campus, I would just like ot express my concerns on possible unfairness.

Zack: Our off campus vendors process is something that we should look at,the Paintball business came today to Student Life today and paid in order to be able to table.

Jordan: I would like to get a specific of how many vendors would come in.

Hernan: Out of the 13 that are coming maybe half would sell things.
