- B. A motion may come forward for SGA to help subsidize (fund) the Student Graphic artist position in the spring semester.
LEAD/FOLLOW-THROUGH: HILLEARY Z. -ADVISOR **MOTION:** **SECOND:**
MOTION OUTCOME:

Junior: Budget Line Item- Santa Rosa Student Employment
Josh: I want to fund it 100%. Student Government needs to be doing more to fund students for their work. We should not be putting these items on the Agenda unless we have a proposal. Being asked through ICC to fund this, but I don't know why ICC should.

Evelyn: As far as the proposal, I emailed the advisor to accept the proposal and add it to the agenda with limited proposal information. Her email maps out the information needed.

Dori moves to postpone and Tiffany seconds. Approved to postpone

IX. Discussion:

-Monthly Student Recognition Awards (JOSHUA PINAULA)

Josh: Looking for different ways to award. Implement student of the month, to create more student involvement.

Nominations would create through a plan of faculty that are aware of their students throughout the semester.

Junior: ICC can create this due to the students involved in clubs already. It is great but it might not affect our enrollment rate, because we might just be picking students that are already involved. How will the instructor provide that information of that students success? Maybe add employment on campus, make the idea strong.

Josh: Need to create a system that is not super external.

Dori: Student Employment of the Month is already a thing. What is the recognition going to be?

Evelyn: Something to think about. Do we want to publicly recognize leaders, employees, students?

-SRJC & SGA History Preservation (JOSHUA PINAULA)

Josh: Interested in preserving our history. I want to know more of how much we have preserved and what we can do for the future.

Deb: Guidelines for purchasing might have raised

Junior: Love the idea. Learning from history experiences and becoming stronger

-Food Pantry (REAL TALK) (EVELYN NAVARRO)

Evelyn: One of the head individual of the food pantry resigned (Ryan). I am dedicating myself to this position of participating in the food pantry. Students can be getting paid to have the food pantry running. This is important and something students need and have been needing. We need more food pantry locations because of the increase of need and to make that happen, we need people there. I expect everyone to participate at least once Spring semester, being there to support the students.

Josh: We are in need, I am in favor of putting money for student salaries

Junior: I agree with Josh. I don't think anyone in SGA is can put their 100%, can it be done a different way? We tried something and didn't work, it's time to try something new. Ask Genevieve to incorporate Americore individuals to access the food pantry as their community hours

Dori: I have heard students having an issue due to the timing. They do not get to benefit from that because they are in class. Maybe changing it to different times during the day to really positively impact all students. Reach out to students and teachers to give the opportunity of extra credit.

Tiffany: there is a sign up place for volunteers. Bring that opportunity to different classrooms

Zack: consider student employment

-SGA attendance

Josh: We talked about second chances, and attendance but we see that Shae has an unexcused absence. What are we doing? Things we need to be considering is importance of retreats and the importance of ByLaws.

Tiffany: We have been giving more time to valuable time. Actions shows more than words. I want to see work get done, they don't need a title to do that but I want to see who is here participating to fulfill the students needs and job duties.

Zack: Think about what we want to incorporate as a body through a different policy for attendance.

Evelyn: Keep in mind, we have the ability to change something if we don't like it. Whether it is the agenda. Minutes, ByLaws.

Dori: I have had a problem with attendance. When I decided to join student government, I know I am a student first but there were some sacrifices I was going to have to take.

-Paying students for minutes

Josh: We had staff do minutes through payment before but we were spending a lot of money. If we would pay a student employee, we could be spending a reasonable amount to be able to give the officers a chance to listen and engage during a meeting.

Sabrina: Bring the possibility of exchanging volunteer time for students to come in as volunteers as getting credit for it and learning experience. Working with work experience through the department on how students can make this happen and we are exchanging volunteer and intern hours.

X. Communications from the Floor:

At this time members of the SGA may report on their activities. Reports shall be limited to 4 minutes. Clarifying questions will be entertained.

Josh: Hoping our advisor can give us a hard deadline for changing budgets and ByLaws.

Junior: Can we get a deadline for finance code

MOTION: *Alexia* SECOND: *Josh*

AMOUNT UP TO: ~~\$2947.00~~ \$1000 BUDGET LINE ITEM: Student Employment

MOTION OUTCOME: **Unanimously passed as amended**

ADDITIONAL INFORMATION: <https://goo.gl/WsyGBh>

- Hilleary explained that this happens every year and they always come to SGA to subsidize the cost since the Student Graphic Artist does a lot of work for SGA.

-Dori asked why there hasn't been a more permanent solution if this has been a reoccurring thing.

-Josh stated that this is a failure on the part of the Student Life Office and asks why SGA is responsible for fixing the problem. ICC Should also not have to subsidize this because clubs don't regularly use student graphic artist.

-Alexia wanted to know about the money we discussed going to hire help for the food pantry.

- Evelyn pointed out that they were not asking SGA to pay it but to help pay it.

-Dori states that Student Life Committee has not been asked to contribute.

-Alexia moved to vote, Dori seconds, JR objects. Roll Call vote to move into a vote fails 1 / 5

- Robert wanted to know if there is a guarantee that this won't happen again in the future.

-Hilleary states that this is the fifth year this has happened, hat she knows of, and they always come to SGA to supplement.

-Anamaria wanted to know if the position is already filled

-Evelyn said yes, but reminded the body that this is about the position not the person.

-Josh said that if this is a reoccurring issue every year, moving forward it should be put into the budget. He then moved to amend the amount to \$1000 Dori seconded

MOTION OUTCOME:

ADDITIONAL INFORMATION: <https://goo.gl/p6iR5S>

- D. A motion may come forward to discuss and endorse Guided Pathways (**GP**).

Robert - The board unanimously agreed to sign on to GP. Some of the negatives are:

- it's being forced on us*
- It's like big brother keeping an eye on us*
- Won't take effect for 5 years*

Zack - What are some of the positives? GP closes the equity gap. Students usually take at least 89 units, but only 60 are required.

Alexia- there is a lot of info that I'm still trying to understand. Is it optional or mandatory? What about students that take classes for fun? I didn't know about the Learning Communities and lack of funding.

Robert - Apologized for some apparent miscommunication with Stephannie. Learning communities ARE guided pathways! Taking classes just because is still okay.

Josh moved to go into a pro/con style of discussion, Dori seconded with no objections.

Stephannie (question) - Regarding Learning Communities, who makes the final decisions about funding?

Zack and Robert (answer) - Multiple grants fund learning communities

Dori (Pro) - There is still a lot of work to be done but GP will help alleviate students taking a bunch of "fluff" classes and classes they don't need.

Jr (Neutral) - I pay a lot of money to take classes I don't need, but I guess that's why I'm here. Some things in life aren't quantifiable.

Zack - General Ed requirements will stay the same.

Josh moved to endorse GP Shawn seconded, Jr objected. Motion to move into a vote to endorse GP failed 0/6.

Jr - moved to amend the verbage to add "on the condition that students are involved in its implementation." Josh seconded

Hilleary - said we can't dictate how they do things.

Dori - said that the intent in the amendment is clear; if students are involved, then SGA endorses it if they are not then SGA does not endorse.

Robert - said he will communicate the feelings of SGA to the academic senate.

Jr - said they shouldn't refuse the right of students to participate.

Robert - was concerned that if they allow students o be part of the process and then students don't shoe up it looks bad on SGA.

Dori - moved to end debate and approve the amendment. Josh seconded with no objections. Motion passed with unanimous Roll Call Vote.

LEAD/FOLLOW-THROUGH: EVELYN NAVARRO **MOTION:** *Dori - moved to approve the item as amended .* **SECOND:** *Josh seconded with no objections*
MOTION OUTCOME: *Motion passed with unanimous Roll Call Vote*

Josh moved to go into Old Business item B

Evelyn assumed motion to adjourn, Josh objected. The assumed motion to adjourn fails with a 1 / 5 roll call vote.

Evelyn passed the gavel to JR.

Josh moved to add 3 minutes to the meeting, Shawn seconded with no objections/

Josh moved to go into Old Business item B Dori seconds with no objection.

Lost quorum at 5:00 p.m. Jr adjourned the meeting.

JR: MESA IS NOT AVAILABLE FOR INTERNATIONAL STUDENTS. IT IS A REQUIREMENT NOT TO BE.

PEOPLE COME HERE WITH HOPES OF HAVING WHAT THEY CANNOT HAVE IN THEIR COUNTRY.

NOT EVERYWHERE IN THE WORLD YOU WOULD HAVE A COLLEGE EDUCATION.

INTERNATIONAL STUDENTS PAY HIGHER EDUCATIONAL FEE.

> EVERY YEAR THE DISTRICT CAN FIX THE FEES THAT HELP INTERNATIONAL STUDENTS.

> INTERNATIONAL STUDENTS ARE LIMITED TO WHAT THEY CAN DO WHILE ABROAD. (NO INTERNSHIPS, WORK OUTSIDE OF CAMPUS ETC...)

(1:34) > IT IS GOING TO BE A SMALL PRICE TO GET THIS THROUGH. THE % OF INTERNATIONAL STUDENTS IN THE CCC SYSTEM IS VERY LOW.

ROBERT: HAD THE MISUNDERSTANDING OF OTHER ACADEMIC INSTITUTIONS ABROAD. THEY DON'T HAVE THE RESOURCES.

IS IT ED. CODE OR DISTRICT SAYING INTERNATIONAL STUDENTS CAN'T BE ELIGIBLE FOR MESA?

JR: NOT THE ED CODE, THE MESA WEBSITE HERE REFERENCES THE CHANCELLOR'S OFFICE BECAUSE THEY ARE THE ONES THAT CREATE THE GUIDE LINES. BUT THE THING IS, PART OF THE FUNDING FOR MESA COME FROM THE DISTRICT.

Robert - supports the structure. V.P. of Diversity can take on more responsibilities

Alexia - Likes that the name V.P of Legislation makes it understood what the position is about. V.P. of "Advocacy" is a broad term and it's hard to know exactly what's expected.

Josh - Exact wording and specifics an be done in the By-laws.

Evelyn - likes the idea of having a specific Executive Vice President

Dori - The committee discussed this alternative but came to the conclusion that , that position wouldn't have enough to do compared to the rest of the positions.

BUDGET LINE ITEM: Advocacy

Alexa Forrester(Faculty) - The last areas to cut from should be the class schedule and programs that assist students. The actions taken by Dr. Chong call for an entire college reorg and elimination of programs in the long run.

Unknown: Who told you that we needed summer classes to be cut Dr. Chong?

Dr. Chong: We're spending more than we are bringing in. The state is currently offering the money we need. We will be more transparent and inclusive on these decision.

- Will keep cuts away from classes and programs. But the general funds are not enough to cover all classes.

McKenna Peterson: How will you make the decision to keep the classes or not? Can this be a guarantee? What about students who already registered? (Priority 1, began April 1st!)

Dr. Chong: Not going to reduce summer classes FULLY. It will be definitive on Wednesday and it will be communicated to students.

Unknown: Is summer when we make the most money?

Dr. Chong: Typically, yes. A proposal to receive an amount of money equaling to the number of 19,445 students for several years(3 - 5) has been sent to the Chancellor's office. Waiting to hear a response.

(VP of Committees)This would negate the enrolling issue for the number years given. Btw, Classes that have less than 20 students enrolled can be cancelled. This has been the metric of canceling classes, and will most likely be the way it is managed this year.

Unknown: Wouldn't cutting classes add to our low enrollment?

Dr. Chong: We are now looking at class reduction, depending on demand. No reason to offer the courses if there is not interest. Can't start new programs, if low enrollment programs are not cut.

McKenna Peterson: So, we are cutting classes because we will receive the funds equaling to 19,445 students?

Dr.Chong: Yes, but the approval is not guaranteed.

Dori(Vp of Student life): Why weren't students consulted about classes being cut?

Dr. Chong: We will be committed to working closer with the students to prevent this from happening again.

Alexia(VP of Advocacy): Keep us in the loop about making decision that are going to affect the students directly.

Dr. Chong: "Don't listen to what I say, look at what I do."

Stephannie(Vp of diversity): Keep in mind for marginalized people, it is not about the number, you're dealing with people's lives.

Dr. Chong: As a person of color, child of immigrants, not too far from reality. This won't happen again.

Dr. Michael Hale (Faculty)

Many people in his union have challenged the number of the 6 million deficit.

What can we do, Dr. Chong, to look at the same numbers? (Referring to the budget crisis)

Dr. Chong: Share governance is going to be practiced heavily from now on. Will pay students to continue to attend the meetings to be included in the conversation.

Unknown: Faithful upright - The cancellation of summer classes will affect graduation for many students.

Unknown: Will a vote of no confidence be discussed in SGA?

No response.

Unknown: The committee structure is confusing. The value of committees is not being understood.

Suggestion: Lets have an annual report to better communicate and be more transparent.

Kevin Swanson: (Student) Will we be paid in dollar amount the equivalent to having 19,445 students over the next 5 years.

Dr. Chong: It is tentative, we will share the response.

Unknown: What is the point of keeping the current administration?

Dr. Chong: I will stand with my team. They're a competent group of people. Will take the responsibility for his mistakes.

Sean Young(student): Parents always said that the way to be successful is through education.

Unknown: Why wasn't a letter sent to all students from Dr. Chong informing them about this decision?

Dr. Chong: No direct response. He admits to making a mistake.

Alexa Forester: We are in a position where we can shut down the college & walk away with all the money, if we are given the amount equating to 19,445 students. "I don't have the stomach to deal with this creative accounting." (Referring to cutting summer classes)

Unknown: Why do you and your team get paid so much?

- Dr. Chong went on to say that he has earned his pay. The pay scale for jobs like theirs have certain competitive salaries.

Unknown: Can you and your board be fired?

Dr. Chong: We are all accountable to each other and the board. (The board of trustees. The board is unpaid)

Micky (Petaluma student, employee): Loves this college. Grandfather taught here. Communication is key to any relationship. If we are going to continue another 100 years, transparency & communication is dire to our success at SRJC.

Ian Mauer: Acknowledged apology. This was a poorly conceived idea. This has had a traumatic response on people. How is SRJC going to compensate for this? To Dr. Chong: You are highly paid.

Dr. Chong: Just because I am highly paid does not mean I have all the answers."

McKenna Peterson: Your job is about serving students, when your job doesn't secure student success, it is not meeting your requirements. You've had a long road to reach your education, but when you take actions that are hurting students it doesn't show your commitment to students.

Nickolas William (student) - What guarantee do we have that in the future, when the schedule comes out, the schedule won't be edited?

Dr. Chong (President) - Only when funding isn't available the schedule is revisited and edited. (No real guarantee was discussed)

Mary-ann - When she lost her home, SRJC community helped her. Wants community spirit.

Sophia - Lets bring outsider auditors to prevent budget crisis like these.

- Let's consider a difference metric of defining success, and not only measured by completion rate.

Motion to extend meeting by 40 min. Meeting will end at 5:40 P.M. NO OBJECTIONS.

IX. New Business

- A. A motion may come forward to discuss and take action on the decision to cut 2018 summer classes.

LEAD/FOLLOW-THROUGH: EVELYN NAVARRO MOTION: SECOND:

Dori: Sees that Dr. Chong is having a hard time with this. We need to continue the conversation. Lost trust in the administration. "We can't give them a break." "I want this college to be here for my future people."

Josh: "One thing I hate is that a lot of the discussion is based on philosophy." Cautions to go into an issue only focused on feelings. "Use if then statement."

Zack: Not deciding on what to do(Strategy), but to decide on a stand and recommendations.

Shawn: Motion is out of order.

Evelyn: Purposely made this motion vague to discard and create a new motion in the next meeting.

Jorge: Form a committee so everyone can have a voice to prevent issues like this later on.

Josh: Are we discussing the budget deficit or the to take action on the cuts of the summer classes?

Evelyn: The possible reduction of summer classes. What is the SGA going to do?

We can do a vote of no confidence, but it should be followed with a resolution. Also, we can support an academic senate resolution.

Recommendations,

Dori: Vote of no confidence

Junior: Ask for the actual numbers(Money)

- Where is the money coming from, where it is, and where it is going?

Josh: Was tasked with deleting the section numbers. More than 50% of classes could be cut.

Annamaria: Is it possible to have their meetings on video for the public? Recorded for all SRJC community members. We, as student reps should demand this.

Hilleary: The Oakleaf has begun to record the Trustee meetings. It is on YouTube.

Jordan Burns:

To clarify, the budgets approved by the Board of Trustees are online. The money from the fires are tentatives.

Ian: 10 years ago, falling enrollment and budget crisis were on going.

Dori: Recommend at ad-hoc committee to come together to write a resolution.

Move to refer the responsibility of drafting a resolution to Eduardo, evelyn, dori and sophia to write a resolution, and to bring a draft to the next scheduled meeting.

VIII. Old Business

IX. New Business

- A. A motion may come forward to discuss and support Rank 10.
LEAD/FOLLOW-THROUGH: EVELYN NAVARRO **MOTION:** **SECOND:**

Rank 10 - Tied to the faculty salary. Where the administrative bodies think faculty should be placed. Pay according to the 10th based faculty salary value. Measured by considering many variables for example the cost of living in Sonoma County.

(20 min.)

Josh: Interest in decreasing the administrative and management pay more than increasing the faculty pay.

When the management study was done for their pay raise it was done from the perspective of SRJC being a large college, but when the study is done for faculty and students we are considered a small college.

Josh: "Faculty only have 3 representative seats in the Academic Senate. That is messed up stuff. I don't like that."

Josh: Add third resolve,

The students request that the district re-examine management pay as a medium-sized college as opposed to how the management - Pay study was conducted - As a large college.

Junior:

First Whereas, include compare and contrast the information about our institution and others, like the Chancellor's office scorecard. The following can explain the current situation at SRJC.

Evelyn (53 Min.)

JC moves to support the philosophy of rank 10! Second: Dori Motion out come: Approved

- B. A motion may come forward to fund registration costs for student leaders who wish to attend a workshop on Brown Act, Conflict of Interest, and Ethics.
