LEAD/FOLLOW-THROUGH: Robert Ethington

BUDGET LINE ITEM: FUND

AMOUNT:

Robert Ethington leads the discussion on this item. The District is offering a \$12 to \$13 increase by April and a \$13 to \$14 by July 1, 2019. The plan is to reach \$15/hr by July 2020. Reaching the \$15/hr wage sooner may be possible if the SGA is willing to sacrifice the amount of student employees per department. The administration is still in a negotiation phase with the Board. Kate Jolley wishes to give a presentation to the SGA on budgeting. Robert mentions the possibility of creating a small workgroup concerning the wage steps for student employees and what the wage cap would be for different student employee positions. The raise to \$13/hr may happen sometime in April. Robert still needs to discuss the wage cap with Kate Jolley. Another aspect to consider is Federal Work Study, as some departments receive more Federal Work Study than others. A program concerning appropriate use of student employees is in progress. By 2023, the wage must be at \$15/hr. Eduardo suggests more communication with student employees about this issue in addition to the Oak Leaf coverage. Robert mentions that it is \$80,000 for every \$1 student employment wage

increase. The next Board meeting is 2 weeks from tomorrow on April 9, 2019. Robert Martinez advises the SGA to make a decision on the District's offer next week.

Agendize this item for next week.

Kaila asks about changes to the dining area as it would affect Fresh and Natural. The other plan is a new Science Center with an Archeology and Chemistry lab, located where the Capri Creek portable classrooms are. An Archeology Dig Site and Butterfly Garden are also being planned.
