- I. Call to Order
President Larry Gibson called the meeting to order at 7:50 p.m.
- II. Roll Call
Jim Burnside was excused.
- III. Approval of Agenda
The agenda was approved as written.
- IV. Approval of Minutes
The minutes were approved as written.
- V. Reports
Mr. Canevari reported that the school calenders, handbooks, and little black address books had arrived and that he would need some help, volunteers to pass out the materials when school started. And if anyone asks the little black address books are a gift from the Pacific Telephone Co.
- VI. Old Business
There was no old business.
- VII. New Business
 - A. Steve Cabot gave a presentation on his communications paper. He passed out an itinerary on the communications paper and he explained that his paper would be a supplement to the Bear Facts. His main purpose of the presentation was to see if there were any possible sources of getting \$295.00 from the budget to finance the paper on a trial basis for one month or 20 school days. He said he would again give his presentation on Sept. 14, the first C.S.A. meeting and that he was also going to give a presentation to the Board of Trustees that same night of Sept. 14.

Discussion followed: Mr. Canevari wanted to know who would be the faculty advisor who would finalize every copy and Steve said Mr. Emblen would be, even though Steve had not told Mr. Emblen yet of his responsibility. Larry Gibson asked Steve Cabot for an itemized budget sheet for the paper to present at the C.S.A. meeting on Sept. 14.

Marker Karahadian then "moved that Finance Commissioner Gary Cia look thru the Budget for possible sources of \$295.00 for Steve Cabot's Communications paper."

Debbie Cox seconded the motion and it was passed.

Larry Gibson then recessed the meeting to just a personnel executive cabinet meeting.

After the personnel meeting it was moved to reopen the executive cabinet meeting.

B. Larry Gibson proposed the idea of getting a much needed message board. Locations were discussed and it was decided that Finance Commissioner Gary Cia would look into the cost of getting one and if we could afford getting it. He would report at a later meeting.

C. Appointments: Larry Gibson appointed the following: Assemblies Commissioner Chris Cody, AWS Rep. Mary Peterson, Athletics Commissioner Bill Adams, Hyde Park Open Forum Ken Beyries, Mid-day Series Rep. Dave Harrington, Law Enforcement Rep. Gary Zamilani, Oak-Leaf Rep. Frank Lawler, and Parliamentarian Larry Farrell.

Marker Karahadian "moved we approve Larry's appointees." The motion was seconded by Debbie Cox and passed.

Meeting #3

- I. Call to Order
Pres. Larry Gibson called the meeting to order at 12:15 p.m.
- II. Roll Call
All members were present.
- III. Approval of Agenda
The agenda was approved as written.
- IV. Approval of Minutes
The minutes were approved as written.
- V. Reports
Executive Vice-Pres. Jim Burnside reported that he had collected teacher evaluation samples from different schools over the summer, and that hopefully this semester's teacher evaluation would be set-up on IBM cards. The first SCIC meeting would be set-up for Sept. 23. He also reported that the Soccer Team would start meeting today and that they had money for their expenses, but in order for the team to be able to meet on campus it must have an accredited teacher, and as of yet the team did not have a teacher.

Vice-Pres. Marker Karahadian reported that the first IOC meeting would be tomorrow, Sept. 15, and that the IOC binders were being made up. Club Day date was still tentative and that due to lack of funds there would be no professional entertainment for Homecoming.

Activities Advisor Mr. Canevari reported that the Bronze Hog and another group will play at Friday's dance.
- VI. Old Business
 - A. From the Floor
Mr. Canevari said that he had spoken to Mr. Emblen, and that Mr. Emblen stated that he would not take any responsibility for Steve Cabot's communications paper. Mr. Canevari recommended a negative vote against Steve Cabot's communications paper.
- VII. New Business
 - A. Approval of Appointments
Larry Gibson changed two appointments: Assemblies Commissioner Chris Cody to John Busek and Parliamentarian Larry Farrell to Chuck Katsis. He also made the following appointments: Dance Commissioner Rich Trenam, Elections Commissioner Larry Farrell, and that left only two more posts open.

Jim Burnside "moved we approve Larry's appointments." The motion was seconded by Marker Karahadian and passed.

B. From the Floor

Mr. Canevari announced that the Hoburg Conference would be on Sept. 25, 26, and 27. He went on to explain what the Hoburg Conference was: a general faculty, administrators, and board of trustees members retreat. And that for the first time students had been invited. The Board of Trustees will pay for two-thirds of the cost for the students and Mr. Canevari suggested that Student Activities pay for the other third.

Jim Burnside then "moved that Finance Comm. Gary Cia and Mr. Canevari search for funds to send the appointed students to the Hoburg Faculty Retreat and that the Executive Cabinet supported the SRJC Retreat." The motion was seconded by Debbie Cox and passed.

The appointments to the conference would be made by Larry Gibson and if there were any suggestions to make them to Larry. The number of students going to the conference was still undecided.

VIII. Announcements

There were no announcements.

IX. Adjournment

Jim Burnside moved to adjourn. The motion was seconded and passed. The meeting was adjourned at 1:00 p.m.

Meeting #1

I. Call to Order

President Larry Gibson called the meeting to order at 3:14 p.m.

II. Flag Salute

Ken Beyries led the flag salute.

III. Roll Call

Members absent at the first meeting were: Sophomore Representative Peter Chin; Law Enforcement Representative Gary Zamilani; and Parliamentarian Chuck Katsis.

IV. Approval of Agenda

The agenda was approved as written.

V. Approval of Minutes

The approval of last semester's minutes was postponed until the next C.S.A. meeting.

VI. Reports

President: Larry Gibson welcomed everyone to the College Student Assembly. He asked everyone to look thru their binder and to read the things in it. He stated that C.S.A. had a "bumer reputation" and that it was up to us to change it.

Larry explained why we use parliamentary procedure: to protect the rights of the minority and it transacts business alot faster.

Larry emphasized the fact that C.S.A. is the main legislative body and if you have any problems to see him.

Executive Vice-President: Jim Burnside explained that one of his duties is to serve as chairman of the S.C.I.C., Student Curriculum and Instruction Council. He stated that in the past this body has not been used, but this semester would be different. He wants to push thru an effective teacher evaluation program.

Jim is heading the Soccer Program on Campus and is working on the Wilson Riles Campaign. And if you need help just ask.

Vice-President: Marker Karahadian confessed that he was new to student government and with that opening statement he went on to explain his duties. As chairman of I.C.C., Inter-Club Council, he encourages alot of political clubs i.e. Young Democrats, and he wants I.C.C. and C.S.A. to work "together" as much as possible.

Recording Secretary: Rosa Mar explained that one of her duties is to keep attendance records. So, if at any time someone is absent three times without being excused, it is her duty, according to the Constitution, to move to have that person removed from what ever position they may hold.

Corresponding Secretary: Debbie Cox explained her duties and asked for volunteers to pass out materials in front of the bookstore.

Finance Commissioner: Gary Cia reported that the Budget for 1970-71 has already been set and that is only a projection.

He introduced Assistant Finance Commissioner Lonnie Russel.

Dance Commissioner: Rich Trenam reported that there will be a coop-dance, Friday, the Euphonious Wail will be the band playing.

Hyde-Park Open Forum Commissioner: Ken Beyries reported that tentatively on Oct. 7, he had scheduled a debate between Larry Keene and Mr. Bellotti or Mr. Bellotti's representative.

Activities Advisor: Mr. Canevari congratulated Larry Gibson on his marriage. He explained some parliamentary procedures, he said the magic words were "I move.."

Mr. Canevari then explained that the Executive Cabinet met every Wednesday at noon and that it consisted of: president, executive vice-president, vice-president, recording secretary, corresponding secretary, sophomore rep., freshman rep., finance commissioner, and activities advisor.

Oak Leaf Representative: Frank Lawler announced that the Oak Leaf had a new publisher, so paper would be able to have more inserts.

VII. Old Business

There was no old business.

VIII. New Business

A. Election of Sophomore Rep. to the Executive Cabinet.

Ken Beyries moved to open the nominations, those nominated were Eilleen Dougan, Kathy Padroni, and Dave Smith. Eilleen Dougan was elected Sophomore Rep. to the Executive Cabinet.

B. Election of a non-C.S.A. member to the Board of Review

Mr. Canevari explained what the Board of Review was. Ken Beyries then "moved to postpone this matter definitely until the next C.S.A. meeting. Also, giving time to find someone who might be interested in the position." The motion was seconded and passed.

C. Steve Cabot's Presentation

Steve asked to wait until his advisors arrived.

D. Discussion of Homecoming

Mr. Canevari stated that the Executive Cabinet had not set aside any money for entertainment for Homecoming and wanted to know whether to still have the barbecue.

This matter was also postponed until a later meeting due to lack of information.

E. Hoburg Conference

Mr. Canevari explained the Hoburg Conference a retreat for faculty, administrators, and this year students. The Conference will be held on Sept. 24, 25, and 26. Larry Gibson will make the appointments of what students will be going.

C. Steve Cabot's Presentation

Steve Cabot passed out an itinerary on his proposed communications paper and an itemized budget sheet. His purpose for the presentation was to see if he could get \$295.00 from the Budget to trial run this paper for 20 school days. Steve Cabot would be responsible to C.S.A.

Discussion followed: This paper would publish things Bear Facts won't publish. It would probably start off like Bear Facts said Steve Cabot, and after awhile kids would write things in of interest beside announcements.

Don Emblen, one of Steve Cabot's Advisors, said that he would not take ultimate responsibility because this would be taking away the responsibility from the student. He will advise on this project.

Mr. Canevari then advised or suggested that Steve Cabot use the machines here on campus since they do the same job Instant Printing would do and thereby saving \$295.00. He said have your advisors authorize under their department so many copies.

Mr. Cabot's reaction to this suggestion was rather negative.

Jim Burnside then "moved to definitely postpone for one week or next C.S.A. meeting any decision on this matter."

The motion was seconded and passed.

X. Adjournment

Ken Beyries moved to adjourn, the motion was seconded and passed.

Meeting #5

I. Call to Order

President Larry Gibson called the meeting to order at 12:13 p.m.

II. Roll Call

All members were present.

III. Approval of Minutes

The minutes were approved as written.

IV. Approval of Agenda

The agenda was approved as written.

V. Reports

EXECUTIVE VICE-PRESIDENT: Jim Burnside reported that he had contacted the department heads for the SCIC meeting.

Jim also announced that Wilson Riles would be here tomorrow, Thursday, Sept. 17, at 8:00 p.m., in Burbank Auditorium.

VICE-PRESIDENT: Marker Karahadian reported that his first ICC meeting had dealt with mainly administrative things, and that ICC had postponed electing an ICC Rep. to CSA until the next ICC meeting, Sept. 22.

Club Day will be on Sept. 25 and Marker said that ICC had discussed Homecoming. ICC approved the Homecoming Barbecue.

ACTIVITIES ADVISOR: Mr. Canevari reported that the appointed students to the Hoburg Conference will leave Friday, Sept. 25, and be back Saturday evening, Sept. 26.

VI. Old Business

A. Appointments

Larry Gibson said there was one more appointment to be made that of Publicity Commissioner and asked if anyone had someone in mind. Jim Burnside thinks he has someone in mind and report at a later meeting.

B. From the Floor

Steve Cabot wanted an explanation as to Mr. Canevari's negative recommendation against Steve Cabot's communications paper, at the last Executive Cabinet meeting, Sept. 14. And Steve Cabot also, contested the fact that Mr. Canevari had reported at that same Executive Cab. meeting, that Mr. Emblen would "not take any responsibility for Steve Cabot's communications paper."

Discussion followed. Rosa Mar "moved to go on with business." The motion was seconded and passed.

VII. New Business

A. Environmental Project

Larry Gibson reported that the sign-up sheet for the environmental project was in the Student Activities Office. And the purpose of this project is to expose the top-ten polluters in Santa Rosa or the Sonoma County area.

B. Photo Grant

This agenda item was postponed for a later time.

C. Wilson Riles

Larry Gibson, again, announced that Wilson Riles would be here tomorrow and that he would like to donate some money from the Budget to the Wilson Riles' Campaign.

Jim Burnside then "moved to allot money to the Wilson Riles Campaign." The motion died for lack of a second.

Larry Gibson then entertained the motion that Executive Cabinet go on record as supporting the Wilson Riles' Campaign and to send a copy to the Oak Leaf and Press Democrat to that effect.

The motion was seconded and passed.

Larry suggested starting a student fund for the Wilson Riles' Campaign.

D. Parent's Athletics Supporters

Mr. Canevari explained that this involved setting up separate sections of the stands for the parents of the Song and Yell Leaders for cheering. There would be a fee of \$2.00 and this money would go for the transportation of the Song and Yell Leaders for away games. If there was any surplus that would go in the Budget.

Jim Burnside "moved we indorse the Parent's Athletics Supporters." The motion was seconded and passed.

E. From the Floor

Ken Beyries proposed some constitutional amendments: 1) The combining of Rallies Commissioner and Assemblies Commissioner to one position; 2) The combining of Hyde Park and Mid-Day Series positions into one; 3) The moving of AWS from CSA to ICC because their function is more that of service than political; and 3) The removal of the Head Song and Head Yell Leaders from CSA and putting them in ICC or the removal of them from the constitution all together.

Discussion followed: There was general agreement for the first proposition. For the third proposition Mr. Canevari said that it would be better to totally remove the Head Song and Yell Leaders instead of "lumping" them into ICC.

Marker agreed with Mr. Canevari and suggested the formation of a Pep Club.

It was also discussed whether these constitutional amendments would be in effect this semester or next.

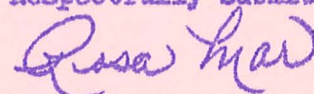

Ken Beyries proposed the creation of new offices which would be "more pertinent" for example a Commissioner of Employment like they have at Laney College.

Discussion was concluded for lack of time.

VII. Adjournment

Larry Gibson adjourned the meeting at 1:07 p.m.

PRESIDENT: Larry Gibson reported that he is flying to Los Angeles for an Area 7 Executive Board meeting with Mr. Reagan this Thursday, Sept. 24.

Larry announced what students were going to the Hoberg Conference: Larry Gibson, Jim Burnside, Mark Karahadian, Rosa Mar, Gary Cia, Eileen Dougan, Rich Anders, Lawrence Jackson, Leslie Johnson, Ken Beyries, Larry Krogness, Dave Herrington, Larry Farrell, Ray Martinez, Victor Jones, Lonnie Russell, and Henry Porter.

Larry read off a list of Faculty Committees that required students to be on them and asked if anyone was interested in any committee to let him know soon.

Larry reported that he has written all the legislators of our district and asked them to send him their monthly report. Larry wants a committee of students to take charge of xeroxing these reports and passing them out to the students on campus.

Larry reported that the Environmental Project Committee will meet on Sept. 22. The purpose of this project is to expose the top ten polluters in the Sonoma County Area. The meeting will be in the Student Lounge and Dave Herrington is Larry's Co-chairman.

Larry Gibson entertained the motion to approve Ken Osborne for Publicity Commissioner. The motion was seconded and passed.

EXECUTIVE VICE-PRESIDENT: Jim Burnside reported that he had sent out notices to all the faculty concerning the SCIC meeting, Sept. 23.

Jim reported that the Soccer Team had started practice, but in order to play games on campus the team must have an accredited teacher; the team still does not have a teacher.

VICE-PRESIDENT: Marker Karahadian reported on his first ICC meeting which dealt mainly with administrative things. ICC postponed the election of an ICC Rep. to CSA until their next meeting, Sept. 22. ICC also approved Peggy Christian ICC Secretary, Terry Calahan ICC Vice-Chairman, and Chris Zeek ICC Parliamentarian.

Marker reported that Club Day will be Friday, Sept. 25, and a band named "Blue" will play. ICC discussed Homecoming and approved all the pre-game activities and approved the Homecoming Barbecue.

At this point of the meeting Larry Gibson introduced Acting President Brook Tauzer who then addressed the group.

Mr. Tauzer spoke of his position as Acting President and that he was not particularly interested in throwing his hat into the ring for the position. Mr. Tauzer felt that there should be student participation in the selection of the new President of the College. He said other faculty were not of the same opinion. Mr. Tauzer expressed that he felt the College paper can be improved. He also felt that this campus ought to be "rattling" with political activity being that the elections are soon.

Jim Burnside then "moved" that CSA present to the Board of Trustees a proposal of student involvement in the selection of the new College President; the committee to consist of the AS President, Executive Vice-President, Vice-President, and three other students that the AS President would select or appoint. The motion was seconded and passed.

Larry will have the three other appointed students by next CSA meeting.

FINANCE COMMISSIONER: Gary Cia reported that we grossed \$1,033.00 from the first C66p Dance and \$1,098.00 from the football game. He said he would have a more exact report of how much profit we had made by next CSA meeting.

SOPHOMORE REPRESENTATIVE: Eileen Dougan reported what committees she was on; the Mid-Day Series, Financial Aids, and the Environmental Committees.

MID-DAY SERIES REPRESENTATIVE: Dave Herrington reported that Robert Bly will be here Wednesday, Sept. 23.

OAK LEAF REPRESENTATIVE: Frank Lawler invited everyone to submit articles to the Oak Leaf for the insert page.

HEAD YELL LEADER: Sue Meyers asked about the possibility of getting a Rooters Bus for away games.

ACTIVITIES ADVISOR: Mr. Canevari said that it would quite easy to get a Rooters Bus that had not been too successful in the past.

Mr. Canevari reported that there are 8 students running for Freshman Representative.

He asked that everyone help Larry and volunteer to be on the committees that need student representation.

VII. Old Business

A. Steve Cabot's Communication Paper

Steve expressed thanks to Mr. Canevari for "understanding" his project.

Steve Cabot felt that CSA did not absolutely "trust" him. Steve proposed two suggestions to insure CSA: 1) Steve Cabot would sign a statement binding him to CSA and when he violated any terms, he would be expelled; and 2) Have Larry appoint a committee of co-editors and they would have equal responsibility as the editor.

Discussion followed: Steve Cabot said if project successful will go to the Board of Trustees for their financial support.

Ken Beyries suggested that Steve Cabot attend the Hoberg Conference because one of the main topics of discussion at the Conference would be student publications. Ken Beyries offered to give up his appointment to the Hoberg Conference to let Steve Cabot go.

Ken Beyries suggested that Steve Cabot create an example of his paper, 100 copies at the expense of CSA, to be distributed at the Hoberg Conference.

This proposition was agreeable to Steve Cabot, so, the matter was tabled until the Executive Cabinet meeting, Sept. 23, where a decision would be made, whether Steve would attend the Hoberg Conference.

Ken Beyries "moved to postpone definitely the issue of Steve Cabot's paper until next Monday." The motion was seconded and passed.

B. Election to the Board of Review

Chris Zeek and Mike Schwarz were nominated and Mike Schwarz was elected.

C. From the Floor

Mr. Canevari and Gary Cia have given their unofficial backing to Mr. Hawkins for a full year's run of the insert page in the Oak Leaf.

Mr. Canevari pleaded with the assembly not to let it go to waste. Now have the opportunity to make the paper a "school service" paper.

VIII. New Business

A. Constitutional Proposals

Ken Beyries said he would explain the proposals and bring them back next CSA meeting for direct action.

The proposed constitutional proposals were: 1) The combining of Rallies Commissioner and Assemblies Commissioner to one position because rallies irrelevant on campus; 2) The combining of Hyde Park and Mid-Day Series

into one position; 3) The moving of AMS from CSA to ICC because their function is more that of ~~service~~ than political; 4) The removal of Head Song and Head Yell Leaders from CSA and putting them in ICC.

Discussion followed. Marker Karahadian then "moved to go on with the agenda." The motion ~~was~~ seconded and passed.

C. From the Floor

Ann Coset, AMS Rep., asked for approval for AMS to sell snow cones on Club Day.

Larry Gibson referred the money making request to ICC.

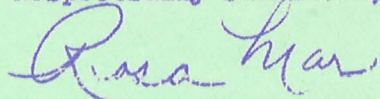

IX. Announcements

Ken Beyries announced that Barry Keene and Mr. Bellotti or his representative would be here October 7.

X. Adjournment

Rich Trenam "moved we adjourn." The motion was seconded and passed. The meeting was adjourned at 5:25 p.m.

II. Roll Call

Assistant Finance Commissioner Lonnie Russell, Sophomore Representative Dave Smith, and Head Yell Leader Sue Meyers were absent. Activities Advisor Mr. Canevari was excused.

III. Flag Salute

President Larry Gibson asked if there were any objections to deleting the flag salute from the agenda starting with this CSA meeting and all other CSA meetings to come. There were no objections from the floor.

IV. Approval of Agenda

The agenda was approved as written.

V. Approval of Minutes

The minutes were approved as written.

VI. Reports

PRESIDENT: Larry Gibson reported that the Ad Hoc Committee for Mr. Uhrh will be setting up information tables on campus. This project is being taken care of by the BSU and Circle K Clubs.

Larry Gibson announced that he is the Area 7 President and that he and Gary Cia attended an State Executive Board Meeting in Los Angeles last Thursday, September 24. The State Executive Board is planning the State Conference, to which five members from Santa Rosa Junior College will be able to attend.

Larry Gibson reported that he attended the Hoberg Conference and that he felt that the Conference had been "beneficial" because he got alot of things off his chest.

Larry Gibson suspended the orders of the day to move to New Business Item A.

VII. New Business

A. Nomination of Freshman Representatives

Andy Duport and James Marchbank were nominated.

Discussion followed: There was objection from the floor to the "guaran-

teeing" of positions on the Assembly to these two nominations because there are five Freshman Representatives' positions and and only three people are running. Also, the Assembly was not told before to give them time to find eligible nominations.

Ken Beyries suggested to drop this matter, let the elections go on, and later appoint for the positions.

David Herrington "moved that no nominations be accepted by this body at this time." The motion was seconded and passed.

VIII. Reports Continued

EXECUTIVE VICE-PRESIDENT: Jim Burnside reported that attendance at the first SCIC meeting was only half of what it is suppose to be.

Jim reported that he is finding it pretty hard to find students to be on the different faculty committees; he has 25 more appointments to go.

VICE-PRESIDENT: Marker Karahadian reported that John Carroll is the ICC Representative to CSA and that John Busek is the CSA member appointed to the ICC Constitution Committee.

Marker reported that he had attended the Huberg Conference and that he had "really enjoyed it." He felt it was an "educational experience."

RECORDING SECRETARY: Rosa Mar reported that she had attended, enjoyed, and learned alot from the Hoberg Conference.

FINANCE COMMISSIONER: Gary Cia reported that we had made a net profit of \$480.10 from the first coop dance and that he could not give us a net profit report on the football game because all the bills are paid at the end of the football season.

Gary reported that he had been in a meeting with Mr. Maggoria dealing with servamation. The drink machines on campus have been causing alot trouble and it is being planned to replace these machines with can drink machines. The only problem there, is that it would cost the consumer a nickel more to buy a drink. Gary said he would report later on the final decision on this matter.

SOPHOMORE REPRESENTATIVES: Eileen Dougan reported that she had attended the Hoberg Conference and that she had found the three hour sessions rather "grooling" but that she too had enjoyed the Conference.

Peter Chin reported that over the weekend a Rock Festival and a football game had taken place on campus, and neither one of these events had been given any publicity. He felt more publicity should be given to on campus activities.

ASSEMBLIES COMMISSIONER: John Busek reported that a guitarist and a harmonic player would be here Friday at noon on the open stage.

ELECTION COMMISSIONER: Larry Farrell reported that the Freshman Representatives Election would be this coming Wednesday, Sept. 30, from 10 a.m. to 2 p.m.

ICC REPRESENTATIVE: John Carroll reported that an Ad Hoc Committee for Jesse Uhruh had been approved by ICC and that Club Day had gone very well.

HYDE PARK OPEN FORUM COMMISSIONER: Ken Heyries reported that Barry Keene, candidate for district Assemblyman, will be here Oct. 7.

OAK LEAF REPRESENTATIVE: Frank Lawler reported that there seems to be alot talk that the school newspaper is a "waste" and whether CSA wants to keep having the paper.

Jim Burnside then informed Frank Lawler that there was going to be a Board of Publications meeting on Tuesday, Sept. 30, with the Oak Leaf Staff.

PUBLICITY COMMISSIONER: Ken Osborn reported that those events over the weekend to which Peter Chin was referring to were not part of SRJC activities, and that only activities that concern all the associated students are publized.

PARLIAMENTARIAN: Chuck Katsis reported that Barry Keene would be here tomorrow, Tuesday, Sept. 29, in Burbank Auditorium.

IX. Old Business

David Herrington moved that we act on item B first. There were no objections from the floor.

B. Communication Paper

Steve Cabot reported that he had put out another copy of the Communication Paper with funds from clubs.

Steve Cabot read from the Board Of Turstees, Sept. 11, Minutes concerning advisors: "Whenever a Faculty member is designated as an Advisor, it will be his duty to inform the student or students of their responsibilities as outlined in the Student Conduct Guidelines. Beyond this, his duties are primarily advisory. An advisor cannot be held responsible for the actions of a student or students which are contrary to his advice and over whom he has no control."

Steve Cabot asked this body for \$295.00 to trial run his paper for 20 school days.

Gary Cia reported that he could get the \$295.00 from the Budget, but that we had a very "tight Budget" and that this was all the money we could afford to give Steve Cabot.

David Herrington "moved that CSA approve Mr. Cabot's request for \$295.00 for the Communication Paper with the stipulations that:

- 1) The money be allocated weekly;
- 2) All bills be received and paid by the Student Activities Office;

- 3) Mr. Cabot be reminded that this will be all the financial support CSA will give him; and
- 4) Mr. Cabot provide the CSA with a written affidavit that he accepts total responsibility for the communication paper."

The motion was seconded and passed.

A. Constitutional Amendments

Before discussion started Larry Gibson limited debate to three minutes, for both pro and con.

Ken Beyries "moved to condense the positions of Assemblies and Rallies Commissioner to one position." The motion was seconded and passed.

Ken Beyries "moved to combine the Hyde Park Open Forum and Mid-Day Series positions to one position." The motion was seconded and passed.

Ken Beyries "moved to remove Head Song Leader and Head Yell Leader from the College Student Assembly." The motion was seconded and passed. There was one abstention that of Head Song Leader Zandra Raphael.

Ken Beyries "moved to remove AWS from the College Student Assembly and put them as members of ICC." The motion was seconded. There was a roll call vote, the motion failed.

Discussion followed whether to make these amendments retroactive. Ken Beyries suggested that those members involved could resign. There was objection to this suggestion and discussion was dropped.

X. New Business

B. From the Floor

Ken Beyries claimed to be "turning into a professional ogre" reported that several students had reported to him that they objected to the hazing that was taking place on campus in relation to the clubs.

Ken Beyries read from the California Education Code, Section 10853: "No student, or other person in attendance at any public, private, parochial, or military school, college, or educational institution, shall conspire to engage in hazing, participate in hazing, or commit any act that injures, degrades, or disgraces, or tends to injure, degrade, or disgrace any fellow student or person attending the institution."

Chuck Katsis read Section 10853 from the Education Code; "Any person who participates in the in the hazing of another, or any corporation or association which knowingly permits hazing to be conducted by its members or by others subject to its direction or control, shall forfeit any entitlement to public funds, scholarships or awards which are enjoyed by him or by it and shall be deprived of any sanction or approval granted by any public educational institution or agency."

Mr. Zeek then warned that if CSA started to act against ICC or the clubs the clubs would act against CSA. And if it weren't for the clubs alot of work would not get done.

Debbie Cox "moved that CSA send a representative to ICC to advise the clubs on the requirements of the law referring to the hazing of students for initiation and other students not participating in the initiation." The motion was seconded and passed.

Larry Gibson appointed David Herrington and Debbie Cox to remind the clubs of the law.

After she presented her side of the issue, there was full and free discussion.

At this time, two irate students entered the meeting complaining about the mess that Circle K created in the fountain and the area surrounding it. It was decided to let Mark Karahadian take care of it in I.C.C. on Tuesday, and if that doesn't work, then C.S.A. will step in.

COMMENCEMENT EXERCISES

These yearly exercises are held at 10:00 a.m. on the Saturday immediately following the conclusion of final examinations. It is impressive in its setting under the oak trees and each member of the staff participates in the academic procession. This is considered to be the last official duty of each instructor for the year if he has completed each of the other actions listed under Year End Requirements.

A traditional outdoor breakfast is held the morning of the exercises for the candidates for graduation and their husbands or wives. The candidates may also invite members of their families as their paid guests. The college invites as its guests individuals and organizational representatives who have rendered special services to the college. The faculty generally participates in this attractive event.

COMMITTEE, ASSIGNMENT TO

Important functions are performed by committees in establishing policy and organizing practice at the college. Committee structure and responsibilities are defined by the Clearing House Committee.

A Committee on Committees, appointed by the Clearing House Committee, is composed of three members of the Senate electorate, the president of the student body, a representative from C.S.E.A., and an administrator. Each spring it solicits College-Committee nominations from the Senate, Administration, and C.S.E.A. and publishes a list of committee appointments for the ensuing year. The student government makes its appointment to the College Committees as soon as feasible and notifies the Committee on Committees. In making appointments the Committee on Committees uses a policy and procedure manual developed over the years as well as the Committee Guidepost charts presented in the following pages.

New instructors are not usually appointed to committees in the first year of their service, but they are welcome to attend meetings of their choice.

COMMITTEE STRUCTURE, PURPOSES AND FUNCTIONS

A. The structure is under study by the Clearing House Committee. These are the committees designated to function during the 1970-71 year.

SANTA ROSA JUNIOR COLLEGE
TRAFFIC AND PARKING REGULATIONS

The Law Enforcement Department of the Santa Rosa Junior College is authorized by the College Administration to enforce parking and traffic regulations adopted by the Administration upon the review and recommendation of the Traffic Committee; to issue citations for parking and traffic violations; to maintain records of all police matters; to investigate traffic accidents and file reports with the College Dean of Business Services of any accident involving College property; and to cooperate with the College Administration in developing ways and means to improve traffic conditions on campus.

Authority to regulate traffic and parking on the Santa Rosa Junior College campus rests with the governing board of the Sonoma County Junior College District under the provisions of Section 21113 of the California Vehicle Code.

Section 21113 of the California Vehicle Code authorizes a public institution to make any special conditions and regulations necessary to control parking and traffic on the grounds.

Public Grounds

21113. (a) No person shall drive any vehicle or animal, nor shall any person stop, park, or leave standing any vehicle or animal, whether attended or unattended, upon the driveways, paths, or the grounds of any public school, state university, state college, state, county, hospital district, or municipal institution or building, or any educational institution exempted in whole or in part from taxation, except with the permission of, and upon and subject to such conditions and regulations as may be imposed by the governing board or office of the public school, state university, state college, state, county, hospital district, or municipal institution or building, or educational institution.

(b) Every governing board or officer shall erect or place appropriate signs giving notice of any special conditions or regulations that are imposed under this section and every board or officer shall also prepare and keep available at the principal administrative office of the board or officer, for examination by all interested persons, a written statement of all such special conditions and regulations adopted under this section.

(c) When any governing board or officer permits public traffic upon the driveways, paths, or grounds under their control then, in the absence of any special condition or regulations applicable to the traffic, all the provisions of this code relating to traffic upon the highways shall be applicable to the traffic upon the driveways, paths, or grounds.

Special Conditions of Traffic Control

100. Definitions of Words and Phrases. The words and phrases used in this statute shall have the meanings ascribed them in this section.

(1) Staff Parking Facility. Any lot, space, or area within the campus of the College designated by the administration for parking vehicles by members of the staff, faculty, physically handicapped students, and elected student officers of Santa Rosa Junior College and so designated by yellow parking lines or markings.

107. Use of Campus Facilities. Use of parking facilities and campus roadways may be limited to those times when College activities are in progress.

118. Registration of Vehicles. 119. Student Registration. Students will make application for and receive their College parking permit at the time of registration for the new school year. 121. Effective Period. Faculty, staff, and student vehicle registration will be effective for the college year.

122. Vehicle Registration. Vehicle registration stickers are non-transferable. A person may request a change in vehicle registration classification by making application at the Law Enforcement office. New stickers received at the time of registration should be placed on the vehicle, as explained in Section 117, and the old one removed.

123. Misrepresentation. Any person who at any time materially falsifies or makes false representation concerning vehicle registration or who fails to register his vehicle will be subject to review by the Office of the Dean of Students.

124. Holding-up of Grades. Diplomas, certificates, transcripts, and registration materials will not be issued to a student until all traffic violations to his record have been settled.

A student acquiring an excess of five tickets will be subject to dismissal from college.

RANDOM THOUGHTS CONCERNING STATUS OF A.W.S.

1. It seems that there is no other group on campus contributing as much volunteer time to serve our college. The members have been willing to assume and carry out any assigned task.
2. The argument that students don't know what the organization is can be attributed to that group of students' lack of interest and concern. Women students receive a membership card. New women students are asked to indicate if they are interested in participation and, if so, for what projects.

The name A.W.S. appears in Bear Facts and Oak Leaf quite often.
The Student Handbook tells what this organization is.
There are frequently posters on campus advertising activities.
3. All activities, with the exception of the Spring Formal, are free. If the college student doesn't participate it is not because of lack of opportunity.
4. Comment has been made about number of students attending meetings. There are many students who cannot attend but who are willing to help with projects. The attendance at functions need not be limited to active members, but rather these activities are provided for more than the officers and chairman.
5. A.W.S. members try to involve participation from clubs. Invitations are sent to have a representative attend A.W.S. meetings so that she may take back information and requests from A.W.S. and also in order for A.W.S. to hear of campus wide club activities. Clubs are asked to participate in all A.W.S. activities and representatives attend as A.W.S. guests (that is, without a fee).
6. The A.W.S. officers are elected by the voting female C.S.A. card holders. They are not appointive officers. If someone has a gripe, she may run for office.
7. There seems to be a criticism that A.W.S. does not represent the needs of the women students. There is no record of special requests having been made. If women students wish such involvement they should make their wishes known.
8. The money that is spent is not spent on social functions for active members of A.W.S. only. If one looks through the items listed under "expenses" it can be seen that these involve all women's organizations; many women students and faculty, as well, are striving to create interest in student activities among our own students and future students.
9. It would seem that there should be more effort put into creating interest in student government and more participation in student government, rather than discouraging present interest and participation. One hears student apathy kicked around all the time, yet the elimination of one of the least apathetic groups is being considered.

10. A.W.S. provides opportunities for students to assume rather important tasks of leadership. Our experience has been that they rise to the occasion to serve others and in the process develop both leadership ability and personal poise. This is an important part of the total education process.
11. Since A.W.S. strives to serve a larger group than just a single interest group and since many of the projects would have to be curtailed or dropped without C.S.A. support, it is felt A.W.S. should remain a part of C.S.A. It would be most difficult for a single, unsponsored group to provide these varied activities and services while raising the \$700 necessary. What alternatives will accomplish as effective a program?

FROM: Committee on College Calendar

RE: A Summary Report without Recommendation

A change in our present college calendar could take one of three directions if our goal is to complete the fall semester prior to the Christmas holidays; and allow for more instructional flexibility:

1. Adopt the quarter system.
2. Start the fall semester in August and end before the Christmas holidays. Conclude the spring semester in May.
3. Start a shortened fall term in September, followed by one or two intersessions and a shortened spring semester ending in June.

The committee has arbitrarily chosen to suggest for your consideration the latter method. A proposal for a calendar with an intersession might take any of the following forms:

(1) 13 - 3 - 3 - 13

Students would take 4 courses during the two long semesters and one each during the two three-week intersessions.

(2) 12 - 4 - 4 - 12

Same as above, except for one week difference in length of semester.

(3) 14 - 4 - 14

Under this system a single intersession of 4 weeks allows a student to take one course on a concentrated basis. (Also known as the 4-1-4 Plan, used by St. Mary's and under consideration by Sonoma State.)

(4) 3 - 3 - 3 - 3 - 3 - 3 - 3 - 3 - 3 - 3

This system envisions one course per three-week period for a full year of 30 weeks.

Any of these systems can be adapted to our present beginning and ending dates and to our existing summer session schedule. They could also be used concurrently with the existing semester system.

There are many considerations involved in a change of this kind. Several of them are noted below for your discussion and comment. The committee does not feel free to recommend a course of action, but is unanimous in its feeling that an institution should continually search for better and more flexible ways of educating our young people.

Considerations are:

- 1) The creation of an enrichment/immersion experience for students during the intersessions.
- 2) Allowance for lowering of teaching loads during fall and spring semesters from five to four sections if an instructor teaches one section in each of the intersessions.
- 3) The possibility of teaching in summer session as an alternative to teaching during the intersessions.
- 4) The facilitation of the transfer of students from our institution to colleges presently on the quarter system.
- 5) The feasibility of changing traditional instructional patterns to fit the intersession.
- 6) Equalizing and balancing of teacher loads and scheduling of classes.
- 7) The effect of a modified calendar on our A.D.A.
- 8) The availability of rooms and instructional materials during intersessions.
- 9) The implications for the Evening College.
- 10) Possible hardships that this calendar might impose upon the Registrar's office.
- 11) Question of student acceptance of a new calendar.
- 12) The possible danger of proliferation of course offerings.
- 13) The effect upon the student government and participation in extra-curricula activities, particularly during intersession periods.
- 14) Problems of instructors in revising courses to fit the shortened sessions.
- 15) Number and content of examinations under the new system.
- 16) Arranging special off-campus experiences, group tours, and special events.
- 17) Effect on student enrollments, including enrollments during summer months.
- 18) The athletic program, including consideration of eligibility regulations affecting inter-collegiate competition.
- 19) Purchase and distribution of textbooks.
- 20) Making the fullest use of faculty and staff.
- 21) Faculty opportunity for employment or study during the school year.
- 22) Ambiguity concerning equivalency of work done in any varied calendar period which might give rise to questions about salary adjustments of faculty members.
- 23) Recruitment of faculty.
- 24) Coordination with major holidays.
- 25) Student opportunities for employment and the effect of intersession on students who are employed.
- 26) Operation of the library.
- 27) Cost and efficiency of registration.
- 28) Maintenance problems.

- 29) Necessary modifications in food service procedures.
- 30) Effect upon dormitory operations.
- 31) Printing of catalogs, class schedules and other periodic material.
- 32) Committees, academic senate and other groups in relations to terms of office, eligibility, requirements and election procedures.
- 33) Student publications such as newspaper and yearbook.
- 34) Possible variations in cost entailed in making the changeover to any given calendar.
- 35) Administrative tasks not listed above?
- 36) Other side effects not listed above?

PROPOSAL FOR A "DOUBLE INTERSESSION" SCHEDULE

In order to eliminate the inflexibility of the present schedule the Schedule Committee submits the following proposal;

- 1) The Academic Year would be changed to consist of;
 - A) a 12-week Fall semester (starting the same date as now)
 - B) a 4-week "First Interession" during the month of January.
 - C) a 4-week "Second Interession" during the month of February.
 - D) a 12-week Spring Semester(ending the same date as now).
- 2) The full time semester load for students and instructors would be changed to 12 units (four rather than five three-unit courses). Since the shortened semester means that classes would have to meet 4 hours per week it is suggested that the MWF class period be changed to 1hr.20 min. and the TTh period be changed to 2 hours. Consideration should be given to allowing classes to meet on a combined schedule (ie. M/WanTh) to allow for greater flexibility..
- 3) During each Interession each student would take, and each instructor teach, only one course. That course would meet a sufficient number of hours during that month to fulfill its unit requirement.
- 4) This proposal would affect all courses and faculty members. If a faculty member did not wish to teach during Interession he would be given the option of teaching a summer course to meet his load requirement.

It should be pointed out that an instuctor during the year would be in class the same number of hours as at present, but these hours and classes would be arranged differently.

It is hoped that this proposal could be adopted for the 1970-71 Academic Year in which case the calender would be as follows;

Fall Semester	Sept.10.- Dec. 9
Fall Semester Finals	Dec. 8 - Dec. 15
First Interession	Jan. 4 - Jan. 29
1st Interession Finals	Jan. 30
Second Interession	Feb. 1 - Feb. 26
2nd Interession Finals	Feb. 27
Spring Semester	March 3 - June 2
Spring Semester Finals	June 3 - June 11

This calender begins and ends the academic year on the same dates as the currently established calender.

Students would register for the Interessions during late November, but 20% of 2nd Interession spaces would not be made available until late January to allow a student to follow an interest aroused by a 1st session class.

Academic Senate Approves Experimental '4-1-4' Plan

By Staff Correspondent

ROINER PARK — The Academic Senate of Sonoma State College went on record yesterday as favoring the implementation of the highly experimental "four-one-four program," starting in the academic year 1970-71. The new schedule has been used extensively on the East coast and is also in effect at Mills College here in California.

The "four-one-four program" means, in effect, that the academic year will be broken up into fall semester, ending before Christmas, in which full time students will be expected to take at least three or four classes, followed by a four week

term in January, in which students will take one or two intensive study courses. After the four-week period students will return to the regular spring semester and will again take three or four classes.

The present system has a fall and a spring semester, so actually no time will be added to the amount of time students spend in classroom work. The fall semester will be shortened somewhat, but that time will be made up in the shortened four-week term in which students will be expected to do intensive study in a chosen area.

Barring any "legal" problems that would prevent it from being implemented, the new schedule will go into effect next school year.

ALTERNATE "ALL INTERSESSION" SCHEDULE 3-3-3-3-3-3-3-3-3-3

Under this proposal the academic year would be divided into ten equal sessions, each seventeen instructional days long (about three weeks including weekends.) During each session the student would take one class and only one class; each instructor would teach one class, and only one class. During a session a typical three-unit would meet for a total of 51 hours, but the scheduling and length of meeting would be flexible. The calendar would be such that there would be four or five days between each session. Christmas vacation, the present semester break, and Easter break would also be between sessions. The academic year would begin and end as presently. It is hoped that a student would not have to register for his next class until the last week of his present class, thus allowing him to follow his interests throughout the year. If a student took a three-unit class each session he would emerge with 30 units at the end of the year.

What does a small, prestigious Catholic liberal arts college do when it is presented with a list of demands by militant students.

Unlike its neighboring public campuses, St. Mary's College in the East Bay's Moraga chose to look at them objectively, implement those with immediate apparent merit, and evaluate the rest.

The result has been that the poplar-lined campus, which enrolls 930 young men, has undergone a sweeping but bloodless revolution. The college's calendar, curriculum and entire outlook has been drastically changed.

Students, faculty and administrators generally agree the changes are for the better—even the plan now in the works to let girls in for the first time since the Christian Brothers took over the college in 1863.

DEAN

Nobody could be happier about the changes than Dr. Alan Pollock, the lay dean of the college.

"Some of the demands and requests of the students had already been suggested by the faculty, but we frankly weren't moving fast enough," Dr. Pollock explained. "If it hadn't been for their pressure, none of this would have happened so quickly.

"Four years to an administrator is normally just enough time to get his committees rolling to study some new proposal. But to a college kid, it's his whole career."

STARTING POINT

The demand for extensive changes dates back to little more than a year ago with a statement by Dan Whitehurst, 1969 student president, in the college newspaper.

"I picture a college in which the students are not concerned with getting grades or preparing for a job, but are dedicated to confronting the great issues of mankind, unafraid to consider or challenge any idea; trying to seek out the meaning of life," Whitehurst wrote.

GROUP FORMS

"This is nothing revolutionary—these very ideas are stated in the college's Col-

make certain reforms to make them a reality."

Motivated by a genuine concern for the quality and relevance of their education, a movement began among the students that eventually materialized as an organization dedicated to change and called Students for Progressive Action Now (SPAN), with some 100 students signing up.

On February 18, 1969, SPAN issued a list of "demands and requests" to the administration. The list included a call to break up the academic year into more meaningful units than semesters, and a revision of academic requirements, grading procedures, and house rules.

SPAN also demanded that the school, which has served only males since its founding, be made co-educational.

By March, the campus was alive with debate. The academic council met with SPAN members and issued a resolution endorsing the proposals as "worthy of serious consideration." Extra faculty meetings were called, time-tables for decisions set and secret ballots taken.

HEADLINE

"Professors to Ponder Proposals Proffered by Progressive Pupils," the college newspaper headlined.

Within 30 days, the faculty had voted to throw out the semester system and replace it with what has become known as the 4-1-4 calendar and curriculum.

Utilized by several other liberal arts colleges, including

University in New York, the plan breaks up the academic year into three parts. From September to Christmas, students concentrate on four courses, rather than the usual five, six or seven which is considered a normal load under the semester plan.

JANUARY

Four more courses are taken from February to June. But the key to the plan is the month of January, when students take only one course for an entire month. And that course centers almost wholly around independent study.

Explained Pollock:

"After all, this concentration on one thing at a time is the more usual pattern for serious intellectual work. As an example, a scientist or scholar will pursue one project to its completion before going on to something else."

Pollock said the stated aims of the college didn't jibe with what was actually done to achieve those aims. The stated goals say a graduate should be prepared for further education or a job but, more important, lead a young citizen into leading thoughtful, intellectual lives, he said.

CONCEPTION

"For this latter purpose, formal education has never been well conceived," he said. "From kindergarten through college undergraduate years, teachers give assignments, then grade what's turned in, and issue new assignments.

"When a young man graduates from college, he has no more teachers or assignments, but he is expected, somehow, to carry on.

"What we need is the opposite of what we have. Today, freshmen are put in the largest classes with the least direction and as they progress to seniors they get more and more attention.

"Instead, we should be progressively freeing the student, putting in a lot of time on freshmen and, as they mature, freeing them more and more for independent study. Then when they graduate, they will be able to carry on."

Pollock says he sees the 4-1-4 plan as a start, "an engine" for further curriculum changes that will increase

study in later years.

"This essentially is the philosophy of the plan," he said. "It is just to do what you already have to do to stack up many units; it is to become curious, self-reliant student who goes beyond mere assignments.

"This is the kind of education that is going to carry man into his adult years—a lifetime of learning and discovery. And that's the kind of education we're trying to achieve."

SEMINAR

The new plan was implemented this fall, along with new "collegiate seminar" which was also approved by the faculty. The seminar was a solution to the sensitive question of requirements.

Did the mandating of major requirements lead to a loss of learning? Or did it tend to create a feeling of "do or die" time to get a diploma?

Believing the latter might be all too true, the faculty devised the seminar as a core curriculum required for all students—an on-going four year course that would confront them with some of the major problems of civilized man.

Each class centers around a prescribed reading list similar to the Great Books curriculum the college has been famous for for years. But the seminars are not limited to these books, which represent the most articulate and original contributions to our culture. But the tools of the seminar have been enlarged to include all sorts of cultural phenomena: graphic arts, film, and music.

RIGHT

The students have also the right to sit in on faculty meetings, which, Pollock chuckles, has had the effect of speeding them up considerably.

The big test comes this spring, when St. Mary's students will be free to go into individual study for an entire month for the first time. Some will go to San Francisco's mental hospitals, some will go to Europe to study things from archaeology to education.

involving themselves in intensive study on a subject of their choice.

An even bigger test may come in the fall of 1971, the tentative date Dr. Pollock has now set for letting in some coeds.

The changes have not been rushed through without controversy, tensions and debate, but there has been little hostility and no violence, Pollock notes.

"Even this process of change through democratic action was a valuable educational experience," he concluded.

Dear Students:

On the 27th of September the Sonoma County Drug Abuse Council's drop-in center, "The House," is sponsoring a benefit rock concert at Bailey Field. Five of Sonoma County's best bands have donated their time for this important fund-raising event.

The ever increasing responsibilities of us at "The House" cause a continual need for increased funding. We would appreciate it very much if the Associated Students would relinquish to us their share of Mr. Walcott's concessions income for the 27th. This, combined with the profit from ticket sales for the concert, would give us a good financial boost.

If you see your way clear to donate us the twenty percent of gross you normally collect, would it be necessary for us to contact Mr. Walcott for the money or would we obtain it from you?

The Sonoma County Drug Abuse Council wishes to thank you and the school administration for the use of Bailey Field.

Sincerely,

Terry Jones

V. Reports

PRESIDENT: Larry Gibson introduced Rand Link the Activities Advisor for Sonoma State, who had come to observe our meeting.

Larry appointed Andy Duport to go to the Rotary Meeting Wednesday, Oct. 21.

Larry reported that he wanted to get a project to boycott Christmas commercially going. Marker Karahadian and Everett Branson are to take charge of this project, and Chuck Katsis was appointed to take Marker's place as chairman of the police convocation.

Larry reported that the organization, People for Economic Opportunity, is a federally funded organization for poor people, and have lots of programs of interest to students. This group would like to get an office on campus.

Larry reported that the Wilson Riles booths were not being taken care of by the people who volunteered to do so. Larry asked them to do the job or else he would have to appoint others to do the job.

Larry brought up discussion on Homecoming. Larry felt that the pregame activities and Homecoming barbecue should be stopped. No one participates in the games and the Associated Students always take a loss in the barbecue.

Ken Beyries "moved to table this matter because too much business on the agenda and let ICC recommend on this matter." The motion was seconded and passed.

Larry Gibson led a round of applause and a standing ovation in congratulations to Pam Buford for being elected Homecoming Queen.

EXECUTIVE VICE-PRESIDENT: Jim Burnside reported that the three administrators appointed to the Student Affairs Committee were Mr. Dougan, Mr. Nazarian, and Mr. Canevari.

Jim moved the following resolution: "Whereas, the Assistant Dean of Students Mr. Richard Nazarian, has repeatedly engaged in discordant and unharmonious relationships with many responsible students, let it be resolved that we, the members of the College Student Assembly, do hereby disapprove of Mr. Nazarian's appointment to the newly established Student Affairs Committee and request he be replaced by a more competent and capable administrator." The resolution was seconded.

Discussion followed: Jim Burnside felt Mr. Nazarian's attitude was "disgusting" and based his opinion on first hand experience.

Ken Beyries expressed that it was poor governmental practice if we were to start picking our own administrators to be on committees and vice a versa.

Mr. Canevari felt that if Mr. Nazarian is as big a problem as was expressed that was all the more reason why Mr. Nazarian should be on the Student Affairs Committee.

Larry Farrell stated regardless of how people felt about him, Mr. Nazarian should be given the chance to defend himself.

Jim Burnside felt that the Student Affairs Committee could really move and that Mr. Nazarian would just handicap the Committee.

The resolution was voted upon, and the resolution was passed.

VICE-PRESIDENT: Marker Karahadian reported that Homecoming had been Saturday, and that Vet's Club President Bill Hall had expressed disenchantment with Homecoming.

Marker "moved to recind Ken Beyries's motion to table dicussion and action on Homecoming until next week." The motion was seconded and passed. Mr. Canevari suggested that the matter be brought up under New Business From the Floor.

FINANCE COMMISSIONER: Gary Cia passed out Budget reports for the month of September.

Ken Beyries moved that move to Item 6 on the agenda. The motion was seconded and denied.

Pam Alderman gave a presentation on the possible formation of a judiciary board or some system of recourse for people have received unfair tickets.

John Carroll "moved that the College Student Assembly recommend the immediate installation and operation of a fair and impartial Judiciary Board." The motion was seconded and passed.

Ken Beyries suggested that the Executive Cabinet work out all the ground rules and codes for this Judiciary Board with the help from Pam Alderman. The suggestion was accepted.

DANCE COMMISSIONER: Rich Trenam reported that we had made a profit from the Homecoming Coop Dance and would later report.

ELECTION COMMISSIONER: Larry Farrell requested that a restriction be put on the amount of publicity used for Homecoming Queen Candidates.

Larry Gibson asked Larry Farrell to make amendments to the present Publicity Code and bring back to this body to approve.

David Herrington moved the following resolution:

"Whereas questions have been raised by two members of the Academic Senate regarding the position of the Associated Students on the maintaining of the present Monday, Wednesday, and Friday from 12:00 p.m. -- 1:00 p.m. as College Hour, and

Whereas encroachments on College Hour by scheduled laboratory periods have already occurred, and

Therefore, Be It Resolved that the College Student Assembly, on behalf of the S.R.J.C. Associated Students, reiterates its position that (Monday, Wednesday and Friday 12:00 p.m. -- 1:00 p.m.) College Hour be kept free of classes and lab sessions, and

Therefore, Be It Further Resolved that the College Student Assembly call upon the Academic Senate and the Administration to vigorously support the present provisions for College Hour."

The motion was seconded and passed unanimously.

HYDE PARK OPEN FORUM: Ken Beyries reported that a girl from Alcatraz, a former student at Santa Rosa J.C. would speak on campus Wed., Oct. 20.

MID-DAY SERIES REPRESENTATIVE: Everett Branson reported that John Holt, author of How Children Fail, will be on campus Oct. 28.

Larry Gibson reported that Sonoma State was sponsoring an Autumn Festival Concert as a benefit for the School of Expressive Arts.

Rich Trenam "moved that the Student Activities Office be a ticket outlet for the gig at Sonoma State next Sunday, October 25." The motion was seconded and passed.

ACTIVITIES ADVISOR: Mr. Canevari congratulated Pam Buford for being elected Homecoming Queen, and congratulated Marker Karahadian on his work for Homecoming.

VI. Old Business

A. Presidential Selection Committee

This item was postponed for a later meeting.

B. Student Affairs Committee

Jim Burnside will take care of the appointments for that committee.

C. Communication Paper

Steve Cabot reported that he had made his presentation to the Board of Trustees, but they would not take any action until their next meeting, Nov. 16.

Steve Cabot would like to keep his paper going until the Board can take action. And if Board approved the paper he would pay back the Associated Students.

Ken Beyries "moved to rescind the third stipulation of David Herrington's motion which was; Mr. Cabot be reminded that this will be all the financial support CSA will give him." The motion was seconded and passed.

Mr. Cabot then asked the College Student Assembly for \$245.05 to continue paper until the next Board of Trustees meeting.

Gary Cia reported that the money would come out of Jim Burnside's Publications Budget for the Faculty Evaluation Poll.

Larry Gibson offered to take the money out of his President's Salary Budget.

Ken Beyries suggested that we make it clear to the Board that we can not afford to fund this paper anymore.

David Herrington "moved to approve \$245.05 for Steve Cabot's paper with the stipulation that if the Board of Trustees fund Steve Cabot's paper Steve Cabot will refund the money, if not we take a loss."

The motion was seconded by Marker Karahadian and passed.

D. Finalization of Delegates to Area 7

Mr. Canevari reported that we would leave for Contra Costa at 6:30 a.m. And those people that were signed up to go, if they changed their minds at the last minute to let Mr. Canevari know.

VII. New Business

A. Budgetary Transfer

This item was postponed for a later meeting.

Marker Karahadian moved to adjourn.. The motion was seconded and passed. The meeting was adjourned at 5:10 p.m.

EXECUTIVE VICE-PRESIDENT: Jim Burnside suggested taking away the vote from the Associated Students Secretaries in the Executive Cabinet. The suggestion was dropped and not accepted.

Jim commented on the lack of unity of the Executive Cabinet in the meeting with Mr. Tauzer and Mr. Nazarian.

VICE-PRESIDENT: Marker Karahadian expressed that there should be more evening sessions of Executive Cabinet.

Marker reported that he was the editor of the insert page, and if anyone had any articles they wanted submitted, to have them in by Friday morning.

ACTIVITIES ADVISOR: Mr. Canevari reported that he and Gary Cia were searching thru the Budget for \$600.00 to send the Ag Team to State competition.

VI. Old Business

There was no old business.

VII. New Business

A. Setting Up a Student Judicial System

Mr. Canevari suggested that rather to let the Executive Cabinet set up the guide lines for a Judicial System on campus to let the Student Affairs Committee take care of it.

Ken Beyries suggested that the Judiciary Board be composed of five persons, and deal with all student codes and the parking code. The five persons would be appointed for one year, and would be appointed by the College Student Assembly.

Larry Gibson entertained the motion to make the Judiciary Board Committee members just students. The motion was seconded by Gary Cia.

Discussion followed: Ken Beyries suggested the committee be composed of one administrator, one faculty member, and three students.

Pam Alderman objected because parking tickets were a student problem, so it should be handled by students.

It was also expressed that the people who give out the tickets are students, so the students should handle the problem.

Mr. Canevari agreed that the committee should be composed of all students, but that these students would have a lot of pressure put on them.

David Herrington suggested that this Judiciary Board deal only with the parking code and parking violations.

It was brought up that this Judiciary Board would not be able to enforce the tickets because it is illegal to hold grades.

It was decided that the Board would not enforce, but would make decisions on the validity of tickets.

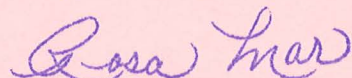

It was the general consensus that it was rather useless to even have a Judiciary Board if it could not enforce.

David Herrington "moved to dismiss the whole matter because it was just an appeasement." It was seconded by Gary Cia and passed.

In conclusion it was felt that something had to be done or else the city police would have to be brought in.

Gary Cia moved to adjourn. The motion was seconded and passed. The meeting was adjourned at 1:10 p.m.

Father of SRJC Sports Succumbs

A memorial fund has been established in the name of Dick Blewett, "father" of physical education and intercollegiate sports at Santa Rosa Junior College, who died Friday at his home near the 10th fairway at Oakmont.

Richard E. (Dick) Blewett, 69, was known throughout California for his work with young athletes and was the first chairman of the Northern California Track Coaches Association.

In addition to coaching and teaching some 40 years at SRJC, Mr. Blewett gained statewide recognition as secretary of the California Athletic Commission and Junior Rose Bowl Committee. He was also a member of the United States Track Coaches Association for high schools and junior colleges.

His track teams went to the national meets many times in the early '40s before they were discontinued, and in 1941 his team placed second in the nation, behind Sacramento.

Mr. Blewett came to Santa Rosa in 1928, after graduating from the University of California at Berkeley, to take charge of the new junior college's phys-

ical education and athletic programs.

His initial assignment was to organize the football team and his first call as head coach brought nine athletes out for fall practice, but after an appeal at a student assembly his squad reached 18 players.

The junior college that year (Continued on Page 6A, Col. 6)

was "housed" in the basement at Santa Rosa High School and had an enrollment of 185 students.

That was also the same year Mr. Blewett became the "father" of SRJC physical education, assuming full charge of the entire sports program.

He was born near where the Los Angeles Coliseum now stands.

While growing up in Los Angeles and attending Jefferson High School, Mr. Blewett compiled an impressive list of all-state records, including winning the state high-hurdle championship in 1921.

His forte was the punt and dropkick after touchdown and while playing for Andy Smith at the University of California he once made seven out of eight extra-point dropkicks against Nevada University.

He was captain of the freshman football team at Berkeley and played end for the varsity in 1925 and 1926, then as a senior played quarterback under Coach Nibs Price.

He also played baseball for the Bears and was the track squad's high hurdler and high jumper.

At Santa Rosa Junior College, he eventually brought in varsity sports coaches and in 1961 retired from his responsibility as athletic director to devote full time as head track coach and physical education instructor.

Lived in Oakmont

His home was at 369 Greenfield circle in Oakmont. His death Friday followed a short illness and a memorial fund has been established in his name by his friends in Santa Rosa and Sonoma County.

He is survived by his wife, Alice Blewett, Santa Rosa; his son, Richard L. Blewett, Seattle; his brothers James Blewett, Los Angeles; and John Blewett, Manhattan Beach; and his sister, Johanna Scott, Arcadia.

Services will begin at 9:15 a.m. tomorrow at Eggen & Lance Mortuary.

A Requiem Mass will be offered at 10 a.m. at Holy Spirit Catholic Church and interment will be at Calvary Catholic Cemetery. Recitation of the Rosary will be at 8 p.m. today at the funeral home.

Contributions to the Dick Blewett Memorial Fund in care of Robert Mastin, Department of Athletics at Santa Rosa Junior College are preferred by the family.
