Maggiora Dean of Business Services Santa Rosa Junior College District 1501 Mendocino Avenue Santa Rosa, California 95401 RE: \$460,000 Sonoma County Junior College District, Student Bookstore Revenue Bonds Dear Mr. Maggiora: After looking at our projections on the above issue of bonds, we find that the coverage for the \$460,000 worth of bonds is approximately \$10-11,000 short of providing the 1.5 coverage, after deducting an annual Federal grant of \$12,800. In our opinion, such a coverage will be necessary to market the bonds competitively. In conversations with you we have explored the possibility of a \$1 per semester student facilities charge and I am now writing to ascertain the possibility of instituting this charge in the fall of 1972. This would provide approximately \$11,000 per year which could be used toward providing adequate coverage for the revenue financing. Would it be possible for you to advise us within 30 days as to the District's position on the institution of such charges. We will then proceed with the submitting of the application for the Federal grant to the Department of Housing and Urban Redevelopment's San Francisco office. We are. Wrecking, Burning Irks This Reader

EDITOR: Twice in the last two days I've experienced instances of wanton waste here in Sonoma County.

The first instance was at Santa Rosa J. C. They were completely, totally wrecking, destroying a beautiful building because it was damaged by the earthquake. Of course, it was necessary for the building to come down, but was it necessary to completely shred and splinter enough wood to build a home or two, not to mention how many trees it would be necessary to cut down to replace such a waste? There were ceiling acoustical tile, perfectly use worthy, just smashed to nothing. This, I'm sure, many less fortunate citizens could have used along with the lumber splintered and gobbled by a huge wrecking machine.

Why would we, as a people, rather destroy something than allow other persons to maybe have something for nothing, especially if those people already have little more than

nothing?

Such a solution would also, I'm sure, reduce wrecking costs as the people themselves could take down the buildings under proper guidance of course.

The second instance occurred one morning as I was driving to school from Sebas-

I saw a billowing big column of black smoke blatantly polluting the sky. There was a sign reading "Pacific Shingle." I called the number of Pacific Supply and learned that it had once been called Pacific Shingle. I told them I was concerned about air pollution and wished to lodge a complaint against them. I was told this was a business office and was twice put on hold. I told them I wasn't just critizing but had an alternate proposal and could I make a suggestion.

The man simply said he knew all about us kids and our protesting, etc., etc.

LET THE PUBLIC SPEAK

It is strange that people are automatically tuned out if they are bracketed in people's minds as being part of a protesting group of citizens.

I am the mother of two children, and an individual. I have the right to say no to what is being done to my air, the air that I breath. And, Ouch! You're hurting me.

EXECUTIVE CABINET June 12, 1971

- I. Call to Order
 The meeting was called to order at 1:20 p.m. by President Dennis Duckett.
- II. Roll Call
 Dennis Dockett, Ken Osborn, Steve Holman, Kathryn McClure, Gregg Smith,
 Jim Weaver, Mike Pinson, Candy Bell and Mr. Canevari were present.
 Sheri Francisco was absent.
- III. Approval of Agenda
 The agenda was approved as written.
- IV. Approval of Minutes
 The minutes were approved as written.
- V. Reports
 Mr. Canevari distributed copies of the budget report for the production of Skin of Our Teeth. There is a \$518.15 loss.
 Mr. Canevari also distributed copies of the final Associated Students budget.
- VI. Old Business
 There was no old business.
- VII. New Business
 - A. Appointment of Finance Commissioner Gregg Smith was unanimously appointed Finance Commissioner.
 - B . Appointment of Assistant Finance Commissioner Jim Weaver was appointed Assistant Finance Commissioner.
 - C. Appointment of temporary Sophomore Rep to Executive Cabinet Mike Pinson was temporarily appointed.
 - D. Switchboard Mike Pinson moved and Dennis Duckett seconded a motion that the Executive Cabinet support re-location of the Switchboard in the Student Lounge from July 1 through January 29 and that the Executive Cabinet also support funding of the Switchboard from July through January 29. Motion passed 5-0-0. Mr. Canevari explained that present funding for the Switchboard ends June 30. The project was given space in Analy Hall until August, but due to re-modeling plans, Switchboard must vacate its rooms soon. It will cost approximately \$120-\$150 to move the telephones and \$50-\$60 per month for phone bills. It will cost about \$330 to keep Switchboard operating during the summer and about \$300 for phone bills in the fall semester. Mr. Canevari recommended funding from the Student Services budget through June and funding from surplus for July and August. Starting in September, he recommended funding from the new Student Services budget.
 - E. Student Union Fee
 Mike Pinson moved and Ken Osborn seconded a motion to
 charge a 31 per semester student facility charge beginning

In the spring semester. Motion passed: 5-0-0
Mr. Cansvari explained that the coverage for \$460,000 worth of
Student Bookstore Revenue Bonds is approximately \$10-11,000
short of providing the 1.5 coverage necessary to market the
bonds competitively. The \$1 fee would provide about \$11,000
per year which could be used toward providing adequate
coverage for the revenue financing.

F. Retreat

Plans are being made for the August 21-22 student government retreat.

G. Surplus

Mr. Canevari said he would have an estimate of the budget surplus at the next meeting.

H. Student Project Grants

Ken Osborn moved and Mike Pinson seconded a motion designating the Assistant Finance Commissioner as head of the Student Projects Grants Committee. The committee will make recommendations concerning grant requests to C.S.A. Mike Pinson, Doug Case and Mike Harris are on the committee. Motion passed.

I. Philosophy-Photo

The Executive Cabinet authorized the purchase of wind-breaker jackets for members of the cabinet.

J. Next Meeting

The next meeting will be at 7 p.m. June 25 at the Copper Penny.

- III. Approval of Agenda The agenda was approved as written.
- IV. Approval of Minutes The minutes were approved as written.
- V. Reports
 There were no reports.
- VI. Old Business
 - A. Retreat
 No definite plans have been made for the retreat.
 - B. Switchboard
 Steve Holman informed the Executive Cabinet that the Switchboard
 will be in operation next semester, and will be in its new location
 in the Student Lounge within the next week.
 - C. Philosophy and Photo
 It was decided that the pictures for the Calendar of Events for the
 fall semester would be under the heading: "C.S.A. Reconstruction
 and Development Company" Plans were made for the following Saturday
 at 12:00 for the pictures.

VII. New Business

A. Student Insurance

Jim Weaver informed the Executive Cabinet of the new policy for the

Student Insurance program. Jim reported that Student Insurance in
the past has cost 75¢ from the student card fee, 75¢ from the junior
college district, and 40¢ from the Associated Students fund.

This year, however, in negotiation with Student Insurance, Mr. Canevari said that the 40¢ taken out of the Associated Students fund will no longer be necessary, therefore making the cost only 75¢ from the district and student card fees. 75¢ from student eard fees.

B. Student Project Grants

Dennis Duckett suggested that the terms of the student project grants
be changed because of the past policy.

It was decided that all grants will go before Jim Weaver and Gregg Smith before they went to the College Student Assembly. All grants shall be in before a certain time and date and a committee should be set up to look over the grants and screen them before they go to the College Student Assembly. More discussion next meeting.

- VIII. Announcements

 Dennis Duckett brought up the idea of having an f.m. radio station on campus as a major project for the fall semester. Everyone seemed interested, but no plans as of yet have been made.

- I. Call to Order
 The meeting was called to order by President Dennis Duckett at 7:14 p.m.
- II. Roll Call Gregg Smith was absent.
- III. Approval of Agenda Student Parking was added to New Business as another item to discuss.
- IV. Approval of Minutes
 The minutes were approved as written.
 - V. Reports

 David Herrington asked the cabinet if they could perhaps sponser a food bazaar to give away and trade food. David suggested blocking off part of the Elliott Avenue parking lot and having the drive there. The bazaar would start Monday, July 19 and continue on through the end of the summer school session. This request was moved by Kathy McClure, seconded by Mike Pinson, and passed unanimously.

There were no other reports.

- VI. Old Business
 - A. Retreat

The retreat is set up for the 21st and 22nd of August. Dennis reported that two of the main problems of the retreat would be sanitary facilities and food. The retreat will start in the SAO parking lot, and continue on to a private location on Sonoma Mountain Road. Kathy McClure was put in charge of getting and delivering the food to the retreat location.

B. Ken Osborn said that he was displeased to find out that the Switchboard was not open this summer. Ken expressed his concern as to what was going to happen to the Switchboard.

Steve Holman reported that because of advertising difficulties the advertising for the switchboard has fallen off considerably, thus making the publicity for the switchboard impossible. Steve said he intended to look into the advertising and said that the Switchboard is now and will be open daily from 10-2. The Cabinet agreed to continue the Switchboard.

C. Student Project Grants
Ken Osborn suggested that we go shead with the committee to help revise
the guidelined for the Student Project Grants. Deniss Duckett, Ken
Osborn and Jim Weaver will do some planning for the committee, and

report back to the Executive Cabinet at the Next Meeting.

D. From the Floor
The Hexagon House Conference: The staff conference will be held at
Hexagon House on September 24, 25, 1971. It will begin with dinner Friday
night and conclude at 3:00 p.m. Saturday. Approximately 50 representatives
will attend. There will be 10 student representatives. The meeting will
be to discuss the problems on the Santa Rosa Junior College Campus.

Mr. Canevari also reported that the Family Planning Clinic will run through next semester.

VII. New Business

A. Accounts Payable

\$9,000 has been left as a surplus from the Associated Student Budget from
1971. Mr. Canevari suggested putting most of the money in a Frozen Reserve
for the new Student Activities building. Julie Jacobs moved to approve
the accounts payable (list attached). It was passed unanimously.

B. South Park Grant

Mr. Canevari reported that Vic Jones has asked for \$300 for the South Park
Youth Council. Julia moved to take the money from surplus and to approve
the grant. It was seconded by Kathy McClure and passed unanimously.

C.S.A. Fall Projects
Mike Pinson moved to take \$500 from surplus to go towards the project
"Threshhold of a Dream". Kathy McClure seconded it and the metion
passed 9-0 with one abstention.

D. Dennis Duckett said that he opposed the paving of the Geary Hall area. Mike Pinson moved that the Executive Cabinet take a stand against the paving of the Geary Hall area and send a letter to the Board of Trustees signed by the Executive Cabinet officers, indicating the Executive Cabinet's opposition to the paving of the Geary Hall area. Jim Weaver seconded the motion and it passed unanimously. The resolution is attached.

The Executive Cabinet also passed a motion concerning the Reserved Parking spaces for Associated Student Officers and Oak Leaf Editor and Photographer. That motion is attached.

Jim weaver moved to send a letter to the Board of Trustees reading:
"In order to maintain the esthetic beauty of the campus, we,
the Executive Cabinet feel that any increase in parking area
would be purely detremental, even if it means reducing the
number of available parking spaces."

Dennis Duckett seconded it and the motion passed unanimously.

Gentlemen:

It has been proposed that the reserved parking spaces for Student Body Officers, the Oak Leaf Editor, and the Oak Leaf pnotographer be eliminated. These students are, in fact, working members of the college community who often come and go from the campus in the course of their duties. We wish to take exception to the elimination of this parking privelege.

We urge that the spaces in the Elliott Avenue parking lot east of the Faculty Lounge be retained as reserved spaces for those students to whom they are traditionally assigned. Further, if this lot is to become open student parking or if it is no longer to be actively patrolled by the SRJC Law Enforcement Department, then we urge that the same number of spaces be provided in the areas of faculty and staff parking for these designated students.

We further urge that there be no fee assessed for this privelege. Unlike faculty and staff members who are paid to work at the college, these students serve without compensation.

A motion to adopt this letter was passed unanimously by the Executive Cabinet on July 16, 1971.

Hours (Summer) 9a.m. - 9 p.m. Mon-Sat Hours (School) 3 p.m. - 8 p.m. Tue-Thurs. 3 p.m. - 10 p.m. Fri-Sat.

The center will be operated by a director or supervisor who will be responsible for the center and its equipment at all times when it is open.

The director or supervisor will have three (3) assistants who will be responsible to the director and will serve to help oversee the center.

The custodian must be a responsible person who six days a week will prepare the center prior to its opening. He will be hired from among the youth of the center.

The supervisor will be paid \$2.60 per hour and will work forty (40) hours per week during vacations and approximately thirty-five (35) hours per week during the school year.

The assistants will be paid \$2.00 per hour and will work twenty (20) hours per week the year around.

The custodians will be paid \$2.00 per hour and will work six (6) hours per week the year around.

Other expences for the center will include rent \$150.00 per month, utilities, and insurance.

Because of operation during the summer hours we will need many volunteers to aid in operating the center and playgrounds. We also need people for arts and crafts, tutors and to aid in sports.

TO: Dr. Mikalson, Dr. Dougan, Mr. Nazarian, Mr. Maggiora, Student Affairs Committee

DATE: July 22, 1971

FROM: Eugene S. Canevari

SUBJECT: Utilization of the present Student Activities Office and present

Bookstore area after the completion of Pioneer Hall

In general, I feel that both the Bookstore area and the Student Activities Office area should be used for some sort of student activity area or student services area. In reflecting on possible uses for the Bookstore space, I feel that a combination of vending machines, lounge type seating, and recreation (pool table and ping pong tables) should be considered for this area.

At this time I would like to ask that an official request be given to Steel & van Dyk for an investigation of what remodeling it would take to bring the present Bookstore storage room up to Field Act standards so that it can be used for student occupancy. This is a large, useful area, but it is my inderstanding that it was not built to Field Act standards at the time the Bookstore was constructed.

The present Student Activities Office should also be considered for future student activities. We have long needed an area which could easily be converted from one use to another depending upon what the current extra-curricular needs or extra-curricular projects of the students might be. I envision this area as a space which would not necessarily have a permanent function.

I would like to emphasize my position that the areas to be vacated should be used for student activities and student services which would include food services, recreation, lounge areas, and space for extracurricular projects.

I wish this item to be a topic of consideration for the Student Affairs Committee beginning early in the fall semester.

SUBJECT: Parking Spaces - Student Body Officers.

This is to put in writing the matter we discussed the other day; that is, that student body officers, seven in number, be granted parking spaces in the Analy parking area at no cost to the students. This privilege will be granted for one year and will be reviewed next spring to see what will be done in the Fall of 1972.

I am taking this action principally because I feel that these students, in particular, make a major contribution to Santa Rosa Junior College, beyond what is normally expected of a student. Also, this year they are getting no compensation from the Associated Students. I think they can do a better job as student body officers if they are free to come and go in the parking areas without battling 5,000 other students for a parking spot.

COLLEGE STUDENT ASSEMBLY Meeting #2 September 27, 1971

- I. Call to Order President Dennis Buckett called the meeting to order at 3:10.
- II. Roll Call Everyone was present.
- III. Approval of Agenda Mtem A. Under New Business was changed to: The Election of Sophomore Representitive to the Executive Cabinet.
 - IV. Approval of Minutes Correction of Minutes from Meeting #1. Page 1; under Reports. Petitions for frosh. representitives are available for five people instead of six as written. Also, there was correction made under Old Business. The student project grants will amount to \$3,900 a year instead of \$3,800 as written.
 - V. Reports Secretary: Sheri Francisco announced that agendas and minutes of past CSA and Executive Cabinet meetings were available for hinders.
 - Chairman: Dennis Duckett announced that a blood drive for Mike Clarkson was coming up and that representitives from interested clubs should attend the ICC meeting of Tuesday to find out more information.
 - Mr. Canevari announced that anyone appointed to an office should Advisor: obtain a red bimder from the SAO office. He announced that tonight there is to be a Board of Trustees meeting at 7:30 P.M. He requested that his Political Science 50 class attend the meeting, and all those who are intersted in what is happening at the college. The meeting will include the discussion of the Federal Emergency Employment act. SRJC was granted four positions, and one was for assistant Student Activities Advisor. One must be unemployed to be able to take that position, but Mr. Canevari noted that he knows of some that are employed whom he would like for the positions. There will be discussion of the Salary Freeze, the recent fee of the use of Bailey Field, and the heating facilities for Burbank Auditorium. Mr. Canevari needed a volunteer to attend the Rotary Club Meeting (or lunch). Mike Pinson volunteered to attend the meeting. He would attend the next two meetings. Because this is Committee Week, Mr. Canevari said that it is important that students serve on committees. We need 15 Public Relations students on Homecoming Day. At least 10 members of the student body of guides for the tour of the campus. The tour should last from 11-1:00. The dead line for turning in petitions for frosh, representitives is

3:00 Tuesday, September 28. Only 4 petitions have been turned in, and if one more isn't assigned, CSA has the right to nominate the

additional representitive. This will take place at the next meeting of CSA.

The Homecoming Assembly will be Friday, October 1. The decision of the Homecoming Queen Contest taking place will be made at tororrow's ICC meeting.

- Chairman: The meeting of the Student Project Grant Committee was announced by Dennis. The committee meets Ednesday. The decision for the grant will come before CSA mext Monday.
- Advisor: Mr. Canevari asked if the applicant must attend the CSA Merting, and Jim Weaver said that the applicant will only attend the meeting if there is a doubt about the issuing of the graat.
- Secretary: Sheri wanted to know who was on the committee. The members of the committee will be Jerry Mobrie, Tom Boyd, Marti Kostriken Jim Weaver, and one more is needed.
- Exec. VP: Ken Osborn reported on the Hexagon House Conference. He said that the students in his opinoin have it a lot better than the faculty and administration.
- Chairman: Dennis agreed with Ken and he said if there was anyone who did not attend the conference and wanted to know what went on, he would yalk with them in his office.
- VI. Old Business
 There was no old business discussed.

VII. New Business

- A. Jim Weaver moved that Mike Pinson be elected to the position of sophomore representitive. The motion was seconded and passed unanimously. Darrell Gaebel abstained his note due to the fact that he did not want to vote. Since Mike would now have to attend the Executive (abinet meetings at noon on Wednesdays Mr. Canevari asked for a new Rep. to attend the Rotary Lunches. Darrell Gaebel volunteered for the next two weeks.
- B. Dennis opened this discussion by bringing up the fact that an ad hoc committee was formed to discuss the student parking situation, and facilities were to be made for bike racks at the Elliot Parking lot.

 Doug Case mentioned the fact that if the bike racks were in a protected area more people would ride their bikes to school instead of driving their carsespecially if they only lived a few blocks from the JC.

 Apparently, the guards assigned to the gates at the parking loss were not paying enough attention to their jobs, and some bikes were stolen. Dennis had gone to Don Fisher last Friday morning to discuss this matter.

 Jim Weaver stated that the number of new bike racks ordered are not yet on the campus.

Mr. C nevari said that the faculty was gone this summer and there will be a redefinition of the ad hoc committee in the fall-- we must emphasize things wanted done.

Doug Case said that ten bike racks are being ordered or 40-50 bikes. He read a resolution to state that there is a definite need for adequate parking facilities for the benefit of the students who must park at the school parking lots and to encourage bike riders. Such guarded facilities are necessary.

Doug Cases' resolution read, "I move that we adopt the following resolution: Where as there is a definite need for protected parking facilities for bicylists, and where as: the community as well as the campus will benifit from this, and where as: such facilities would encourage bicylists, and cut down on the number of cars on campus, therefore let it be resolved that the College Student Assembly inform the Traffic Parking Committe that we feel such gaurded facilities are essential for campus and community and should be developed as soon as possible." Mike Pinson moved to accept this resolution, Greg Gray seconded the motion and the motion passed #/p/# unanimously.

- C. Tom Boyd made a proposal concerning the Intramural Football Schedule.

 His proposal read: "I move that where as: The present Intramural Football Schedule is limited to Wednesday and Friday, from noon until one o'clock, which limits actual playing time to approximately one half hour, and where as: this time is not convienient for most students as it interfers with Club meetings, Mid-Day Series, Open Forum, and other College hour activities that therefore: the College Student Assembly urges that Intramural Sports Director, Mr. Craighead, adjust the football schedule to facilitate uncreased student participation by scheduleing late afternoon football games. Doug Case seconded the motion.
 - Mr. Crafghead explained that the reason Mondays, Tuesdays and Thursdays were eliminated from the schedule were because Mondays were club days for some students. Other students, he explained had lab hours on Teusdays and Thursdays. For this reason, Mr. Craighead and Bill Frey, Atheltics Commissioner, felt that Wednesday and Fridays, from noon to one o'clock would be a proper time. Greg Gray wanted to know why Intermurals were scheduled from 12tol. Mr. Craighead explained that his time schedule is such that he could not attend the Intramural Sports activities if they were held at another time. Dennis suggested giving the Atheltics Commissioner, Bill Frey, & the authortiy to over see the Intramural activities. Tom Boyd said that the Vets Club will not sponser a team meeting at the present time. Mr. Craighead said that the present schedule is an experement type situation and that the Atheletic department does not know what the outcome of it will be. Mike Pinson moved to limit debate to one minute. Ken Osbon seconded the motion, the motion failed. Ken Osborn moved to pospone the issue definetely until the next meeting. Mike Pinson seconded the motion. The motion passed.
- D. Jim Weaver moved to send a letter to Maintence on campus that the planting of the mound should begin immediately. Greg Gray seconded the motion. The motion passed.

 VIII. ANNOUNCEMENT

Football Rally At SRJC

The skies over the Santa Rosa Junior College campus will be lit up tonight by a bonfire as students hold an old fashioned football rally, whooping up spirit for tomorrow night's game

with DeAnza College.

Scheduled for 8 p.m., the rally is being held in a remote area of the campus, south of the tennis courts, and will feature a band, members of the Bear Cub football squad, and head coach Marven Mays and his staff. The Cubs are going into tomorrow night's game ranked fourth in the state and with a 5-0 record.

The bonfire site is reached by a gate between the women's gymnasium and the business education building, Barnett Hall. According to Eugene Canevari, Student Activities advisor at the college, this will be the first bonfire rally on the campus since the early 1950's.

SANTA ROSA JUNIOR COLLEGE students chanting "Beat De Anza" are silhouetted against a bonfire that was part of a Thursday night campus rally to build spirit for the 8 o'clock Camino Norte Conference game between the SRJC Bear Cubs, ranked number four in the state, and the Dons from Cupertino.

On September 24-25, 1971, a conference was held at Hexagon House involving members of the academic senate, the administration, and members of the board. The theme of the conference was "Policy Making Relationships" and the specific question under consideration was "The Policy Making Relationship between the Board of Trustees, Academic Senate, and the Administration at Santa Rosa Junior College." Those attending the conference were divided into three discussion groups. A recorder and group leader were assigned to each group. Following the conference on September 30, all the group leaders, recorders, and dean of instruction, Brook Tauzer, met to develop the following summary statement of comments made at the conference.

Obviously, due to space limitations a verbatim transcription of what occurred is not possible. What the group tried to do was to summarize what seem to be the major areas of discussion and the major suggestions on which actions should be taken. It was expressed by almost all participants at the conference that the over-riding consideration in any kind of administrative relationship is the extent to which it assists in the development of educational opportunities for the students of the college. Thus, the structural relationships are not an end with themselves, but must be responsive to the larger goal of furthering the educational abilities of the institution.

SUMMARY OF CONTENTS

Members of this meeting were:

GROUP I

GROUP II

Joan Hastings, Leader Jack Burroughs, Recorder Duane Blackwill, Leader Jack Perella, Recorder

GROUP III

Courtenay Anderson, Leader Curt Askim, Recorder

I. PROCEDURAL RECOMMENDATIONS

- 1. The table of organization currently contained in the administration handbook should be distributed in the faculty handbook, and a more detail table of organization should be developed.
- 2. The summary of the board's meetings published weekly by John LeBaron should be distributed to all board members.
- 3. The senate and board agendas should be generally distributed in advance.

II. MAJOR DISCUSSION AREAS

- 1. There was a general consensus that a study should be undertaken by the clearing house committee to clarify the areas of responsibility of each campus committee, the academic senate, associated students, and the administration. It was anticipated that a first step in such a study would be a request of each group to state what it feels its charge is, to whom it is responsible, and how its responsibility should be changed. Many participants felt that it might be appropriate to establish eventually some kind of college-wide senate composed of students, administration, and faculty. This would be presumedly in addition to existing structures but would serve as a central forum for discussions and proposals.
- 2. Several board members expressed concern that: (1) often they did not receive expression of opposition to a proposal before them; (2) often they did not have a clear concept of the extent of support a proposal presented to them had on campus. Several board members made a point of the fact that any individuals may appear before the board.
- 3. Several participants at the conference pointed out that the clearing house committee by its decisions will clarify the routing that a proposal must follow. It was implicit in this conversation that the clearing house committee's rulings should be observed as precedence for the routing of future proposals.
- 4. It was stated by many participants that there is often a lack of confidence, therefore, an unwillingness to delegate authority among the board, administration, and academic senate.
- 5. It was suggested by both administration and board members that the use of a "Consent Agenda" be considered for board meetings. Under such an agenda, sometime in advance of a board meeting, a member of the board would meet with the administration, go over subjects to be discussed at the board meeting, and, in such cases

as there seem to be no controversy over the issue, simply give his consent thereby making it unnecessary to raise the issue at the main meeting.

6. It was suggested that the relationship between financial aides and the administrative structure is in need of clarification.

The above suggestions are to be considered supplemental to the position papers published in the conference program which were presented to all participants.

SUBJECT: Utilization of the present Student Activities Office and present

Bookstore area after the completion of Pioneer Hall.

In general, we feel that both the Bookstore area and the Student Activities Office area should be used for some sort of student activity area or student services area. In reflecting on the possible uses for the Bookstore space, we feel that a combination of vending machines, lounge type seating, and recreation (pool table and ping pong tables) should be considered for this area.

At this time we would like to ask that an official request be given to Steel & van Dyk for an investigation of what remodeling it would take to bring the present Bookstore storage room up to Field Act standards so that it can be used for student occupancy. This is a large, useful area, but it is our understanding that it was not built to Field Act standards at the time the Bookstore was constructed.

The present Student Activities Office should also be considered for future student activities. We have long needed an area which could easily be converted from one use to another depending upon what the current extra-curricular needs or extra-curricular projects of the students might be. We envision this area as a space which would not necessarily have a permanent function.

We would like to emphasize our position that the areas to be vacated should be used for student activites and student services which would include food services, recreation, lounge areas, and space for extracurricular projects.

We would suggest that the College Student Assembly adopt this as a position letter and send a copy to Dr. Mikalson and the Clearing House Committee.

SUBJECT: Utilization of the present Student Activities Office and present

Bookstore area after the completion of Pioneer Hall

In general, I feel that both the Bookstore area and the Student Activities Office area should be used for some sort of student activity area or student services area. In reflecting on possible uses for the Bookstore space, I feel that a combination of vending machines, lounge type seating, and recreation (pool table and ping pong tables) should be considered for this area.

At this time I would like to ask that an official request be given to Steel & van Dyk for an investigation of what remodeling it would take to bring the present Bookstore storage room up to Field Act standards so that it can be used for student occupancy. This is a large, useful area, but it is my inderstanding that it was not built to Field Act standards at the time the Bookstore was constructed.

The present Student Activities Office should also be considered for future student activities. We have long needed an area which could easily be converted from one use to another depending upon what the current extra-curricular needs or extra-curricular projects of the students might be. I envision this area as a space which would not necessarily have a permanent function.

I would like to emphasize my position that the areas to be vacated should be used for student activities and student services which would include food services, recreation, lounge areas, and space for extracurricular projects.

I wish this item to be a topic of consideration for the Student Affairs Committee beginning early in the fall semester.

Sergeant-at-Arms Job

UC Girl Wants To Open Doors In State Senate

Sacramento

A 19-year-old University of California coed has applied to become the state senate's first female sergeant-at-arms, but no one is sure whether she's qualified.

Rosa Mar, a UC Davis political science major, says she wants to work in the capitol and believes a sergeant-at-arms job is what she's looking for.

"There's no job I've seen that men do that a girl can't do," said Miss Mar in an interview. "I'm just looking for some practical experience on how the system runs."

Among a sergeant's duties are to pick up legislators at the airport — often at odd hours — fill up their coffee cups in committee hearings, open doors for senators and, occasionally, keep order. They've even been known to chase down a senator's laundry.

POLICE

For the most part, Senate sergeants-at-arms are elderly retired law enforcement officers. Chief sergeant is 78-year-old Percy H. Kenealy, an ex-San Francisco beat cop.

Miss Mar, an attractive girl with long black hair and large brown eyes, is of Mexican descent and speaks fluent Spanish.

She said no present sergeant-at-arms speaks Spanish well enough to converse with Spanish-speaking visitors to the Senate. Miss Mar said she would hope that could be part of her job.

"It seems to me the Senate could be killing two birds with one stone by hiring me— a girl and a member of a minority group," she said.

ODDS

She said she would like to work part-time while continuing her studies and plans to attend law school after graduation. Asked what her chances for employment were, she responded: "The odds are one in a million I'll get it."

John Williamson, chief administrative officer of the Senate and the man in charge of hiring and firing, said he was studying Miss Mar's application.

Williamson, a former assemblyman, said under no circumstances would she be hired during this session, but he would keep her in mind

ROSA MAR IN THE STATE SENATE

for 1972.

"Generally, sergeants consider themselves policemen," he said. "I'm not sure Miss Mar would claim she could do everything that would be required of her in that line." United Press

Reports

Doug Case, one of the representatives to the Area 7 Conference held last Thursday gave a report on the conference. Doug said that the conference decided on eight topics to be discussed at the Area 7 Conference on November I3. Doug said that each college choose a topic, Canta Rosa choosing Financial Aids. Dov: also daid that ea each college is allowed to have I5 delagates to the Area 7 Conference

Kathryn McClure also a delagate to the confert ce said that the

meeting seemed to be unorganized.

Dennis pointed out that there have been two oher meetings of the conference. Dennis said that during one of the meeting Santa Rosa Junior College wasscalled to ask whether they wuld be attending the meeting. Dennis said that prior to that time he had recieved no work that there was to be an Area 7 meeting.

Mike Pinson, because there seemed to be a lack of interest said Unorganization at the Area 7 meetings, suggested withdrawing from the Area 7 Conferences, and direct our interest: to this campus.

After making the suggestion, Mike moved to set up a committe to study the possibility of Santa Rosa Junior Clook withdrawing from the Area 7 Conference. Mike Harris secended the motion.

Dennis reminded everyine that it would cost a proximately \$700 70 800 dollars to send representative to the C.C.C.S.G.A. Conference later in the year.

Dennis called f r a vote on the main motion. The motiom passed.

Dennis introduced Sheri Kenny, one of the new freshman representatives to the Colleg Student Assembly.

Greg Fray reported that the Parking Judiciary met last Friday. said that 5 apreals were turned in, two of which were granted.

Ken repotted that at the last S.C.I.C. meeting, five people including him self attended the meeting. Ken asked that if anyone was interested in helping out at the meeting, to please get in touch with him.

VI. Old Business

A. Continuence of Tom Boyd's Moti n

Jim Weaver moved to amend Tom Boyd's motion to read: C.S.A. wishes to a proach the S.P.C.A. to aid in controlling the dog situation on carpusin direct assistance and arrangements with Tom Boyd. Greg Gray seconded the motion.

Dr. Dougan, Advisor at the meeting said that the S.P.C.A. will not come on campus except inder the most distress situations. He said that one of the biggest problems is informing the people that there dogs must be

on leashes or left at home.

Everyone seemed to agree that one of the first steps controlling the dog issue was more publicity on the subject.

Dennis called for a vote on the amendment to the main motiom to ask for the S.P.C.A. assistance on the dog issue on campus. The motion passed.

Dennis then called for the vote on the main motion. The motion passed.

B. From the Floor

Dennis said that he discussed the Bycicle Area assue with Mr. Forsyth at the last Parking Committee meeting, but no definete plans have been made.

Mike Harris moved to approach Dr. Dougans office in the form of a letter of suggesti n that financial help be given to provide a guard for a Bicycle rack on campus. Greg seconded the motion passed unanimously.

VII. New Bussiness

From the Floor

Jim reminded everyone that attempta are being made to hold a Bon Fire Rally on Thursday Oct. 2I for the Deanza football game. The tentati place for the Rally is behind the tennis courts on the campus, however no definite plans have been made.

Ken Osborn move to get u a committe to approach the Santa Rosa Fire Department to find out regulations for having the Bon fire.

Doug seconded the motion. The motion passed.

VII. Announcements

Greg announced that if anyone is interedted in being on a committee, to pleaseget in touvh with him.

Jim Weaver moved to change the budget under Student Ticket Crew to \$575, an \$100 increase in the present empense. Marty moved to postpone the vote until next meeting Jim seconded the motion. The motion passed.

C. Budget Change- Athletic awards

Mr. Canevari explained that the \$1000 allocated for award s on the student budget would not be sufficient to purchase football award jackets for the team members who earned them. Mr. Canevari said that the expense would have to be changed to \$2000 in order tonprovide enough funds to purchase enough award jackets for the players.

Jim moved to increase the expense under awards to \$2000. Mike Pinson seconded the motion. Jim then moved to postpone the vote for I week. Mike Pinson seconded the motion. The motion passed.

armed Forces Recruiting

Kem Osborn said that he had recieved combbaints from some of the students who disced seeing the member of the Armed Forces on campus.

Certain members of C.S.A. seemed to feel that seeing the recruiters on campus coulding back bad memories, whilw others seemed to feel that it was the colleges right to

have the representatives from the military on campus.

Chris hullis moved to recomend to the Student Personnell Office that military recruiters not be allowed on campus. Dale Norm seconded the motion. Chris then amended his motion to read that 8.S.A. recomend to the Student Personnell Office that military recruiters not be allowed on campus unless requested by the College Student Assembly. Mike seconded the motion. Sim reminded everyone that any club has the right through I.C.C. to sponcer any organization on campus that they desire, without the consent of the College Student Assembly. Mr. Leland Noel Landscape Architect 1421 McDonald Ave. Santa Rosa, Calif.

Dear Mr. Noel:

I am writing you in regards to the landscaping of the berm which is being developed in the Doyle Student Center patio area. In looking at your landscape plan for the area I feel that a major consideration of the use of this berm has been omitted. We envision that the berm would be used as seating during performances which would be placed either on the raised concrete Coop patio or on the raised concrete patio that is proposed for the front of Pioneer Hall. We feel that this raised grassy seating would be most appropriate for student use during performances of musical groups and speakers which might appear in either of these areas.

For your information, the performing groups would be appearing in the area east of the bookstore and south of the restrooms in the Doyle Student Center on the edge of the raised concrete patio. Groups might also be placed in front of Pioneer Hall, roughly in front of the entryway into the Student Activities Office. These groups would consist of amplified bands, speakers, small musical groups, as well as some presentations by dramatic groups.

Would you please reconsider the lay-out of planting and grassy areas taking into consideration the use of this berm as raised amphitheater type seating. If I can be of assistante, please feel free to give me a scall.

Sincerely.

As student body elections draw near again; I would like to remind everyone that there is NO SUCH THING AS STUDENT GOVERNMENT.

We, (the students) labor under the continuing guise of participating in student government, just as we continue pretending that we have some say in the selection and preparation of academic study materials.

Student government at this school, like so many others, is a complete shuck, a sham; and it is tokenism in its worst form; the tokenism of spathy.

Consider this; last semester approximately 500 students out of 5,200 voted in the ASB election. Less than 1/10th of the student body!

If our admi istrators are all that concerned about us taking an active role in the management of student affairs, in really "working together", why weren't we bombarded with distribes on this horrible showing in selecting "our" representatives?

The answer is quite simple. We heard nothing because those who really run student government, were more than satisfied to see things so as they did.

The SETESTER POPULARITY CONTEST was held, all participents were paraded in front of as for the "no less than five minutes each" they are allotted; they shuffled their feet, scratched their heads, picked their moses, and grinned through their ignorance.

A few words should be said here about the selection of candidates. The ASR student handbook, "a service of your student government", besides coupying the POPULARITY CONTEST winners' pictures, size once is the coupying the resident which the student covernment.

In Article 181 Section 2, it system that for a serson to be eligible to hold office he need only "be a regularly enrolled daytime student with a minimum of 10% units..", that's it.

It is a different story however, when you get down to it.
Upon receiving the form that you must fill out, (name, soc, sec.#, office that you're running for, etc.) even before you can get the 75 signature petition that is necessary for nomination, you are introduced to some of the surreptitous methods used to control anyone who would dare use his own innovative abilities for the benefit of his fellow student.

First and foremost in this hierarchy, is the Student Activities Director (Dictator could as easily be used here). In the "Publicity Code" there are no less than 10 clauses that read "at the discretion of the Publicity Commissioner or the Advisor of S udent Activities." These are, cut and dried, purely control items.

If you doubt the power held by the person in this position, go to any of the "elected officers" with a proposal of student interest and see if you don't end up "standing tall" in front of his desk. He has the final say on all is gigs.

You might also seek out, as I did, some of the former officers and question them on their terms in office. Invarialby the Student Activities Advisor's name and the absolute power that he passesses is brought into the conversation.

Even our current ASB president, before he took office was instructed as to the futility in bucking this set-up. He states in the Student handbook: "If one could remove the surface formalities of student government, he would be confronted with a picture of a small group of students actively involved in working for the good of the whole."

This means that he can't. And is "surface formalities" just a misnomer for the Student Activities Advisors absolute power? Reading further we find a line that I suggest should be sent to President Nixon's speech writers. "We have come far together but let us not forget that there is always a new road to travel." A fine example of absurd rhetoric that we don't need from a "brother" student.

You might also ask him (Dennis Duckett); you can recognize him by the chrome wheels on his black VW and the tiparillo that he smokes, about how and why he came to run for ASB president, and who actually engineered and financed his campaign.

Then find Howie Vann, who was also a candidate, and ask him the same questions.

This past Friday at 12 noon in Burbank Auditorium 47 people, including the candidates turned out to listen to proposed solutions for getting the Government back to the students. It was another excercise in futility. We listened as each of the prospective politicians rocked and rolled us about, "communication", "getting it together", and of "changing it from the inside," all the good, current, popular bullshit.

Then some of us in the audience started to discuss the control factors in the government and the school. We fould, as small as number as we were, that we in fact were communicating. That were were getting it together, and then the controll agent of class scheduleing cut us off. Out of that small coalition, came a very good proposal, that herein stated is directed to all students, and especially to the candidates who, if sincere

in their desire to listen to those they are supposed to serve, will give some serious thought to.

The proposal is that of a NO VOTE ELECTION. If in fact student government is as necessary to the functioning of this school as we have been led to believe, then the absence of it should cause some problems. Some disruption of the status quo. It will not.

The candidates should withdraw from the election, (Wednesday Morning would be ideal) and the students should boycott the polling booths as if they were contageous. Their disease is horrific innoculating us with the serum of blind obedience. One that we carry with us into the "Big Adult world. We vote on a Federal level the same way we do here at SRJC, only for those candidates available, and we have no say in their selection.

What is worse is make we have no way of altering the system they will work in after they are elected.

The supposition of a government, especially one as militaristic and suppresive as ours, in a "Free Country" is anathema. It is self-condemming, and self-ridiculing and sets the model for all lesser Governments under its jurisdiction.

Santa Rosa Junior College is the United States in microcosm. And every counterpart necessary to its demagoguery can be found here.

Since we are so adept in apathy at this school-let's carry it to its epitome and have no votes cast a all. Maybe then, as things go on as usual, and they will, we will realize for what it is, the hoam of student government that has been perpetrated on us for too long.

The Relationship Between Law Enforcement on Campus and Students

Recently Don Fisher of the Law Enforcement on Camis requested that I "interview" him. Mr. Fisher wants e "other side" to be presented. He wants students to and talk to him if they have any questions concern-Law Enforcement actions on campus.

One of the reasons the Campus Police check cars e for the possibilities of gas leaks and such. metimes students call in and request that their cars checked as they have become sick, and left campus thout their car. Another service that is supplied is e use of their own tickets instead of the City's ckets. The City's fines are much higher, and would far harder on the students.

Socooo any questions or complaints, or whatever, out the Law Enforcement or its policies, stop in and 1k to them....they want to answer your questions.kathryn McClure (ed.)

A. Elections

Bill Case reported that there were several infractions of the election code during the last A.S.B' election. He said that some of the posters were not approved that were put up, and that some of the posters were put up the day of he election.

Linda Bostrom moved that the election code include a provision that all petitions ed candidates for office appear on who ballot before those who are nominated in C.S.A. Doug seconded the motion.

Greg Gray moved to amend the motion to read that all petitioned candidates for office appear on the ballot in order that they turn in their petititions, and before those who are nominated in C.S.A.

Because of he infraction of he election code in the last election, Steven Lee moved to have the complete election & & dover. Greg seconded the motion.

Bill Case said that because there is no time to h ve a run off election, that this could not be done.

Dennis calld for a vote on the motion. The motion failed.

B. From the Floor
Dennis read to C.S.A. Doug's letter to the Athletic Associatedn, stating our disappointment in the arrangements and the field facilities of the Diablo Valley football game. Greg moved to approve the letter. Mike seconded the motion. The motion passed.

VII. New Business A. Oak Leaf Tom Boyd moved that C.S.A. ask the Oak Leaf to print the monthly revised budget of the Associated Students. Greg Gray seconded the motion. The motion passed.

B. C.S.A. Banquet Tom Boyd moved that C.S.A. members pay their own way to the C.S.A. Banquet. Nike Harris seconded the motion. The motion failed

C. Vet's Club Book Co-op
 Kathy McLard moved that wheras the Vet's Club annual spring book co-op is of great
value and benefit to the students, that the College Student Assembly send a letter of
support to the Vet's Club, and urge them to hold it again that Spring.

Greg Gray moved to amend the motion to read that C.S.A. send a letter to not only the
Vet's Club, bat to Dr. Mikalson, Mr. Nazarian, and Mr. Madden as well. The Motion
Passed.

Onest speaker Mr. Healy reported to C.S.A. on the reconstruction of the grading system and the elimination of the F grade. Mr. Healy said the and members of his committee were interested in seeing what kind of reaction C.S.A. will take toward the new system. He said that forms will be written out and submitted to C.S.A. members for their reaction on the issue.

E. From the Floor
Doug Case moved to send a letter to the football team congratulating them and their coaches on their success this year. Greg Gray seconded the motion. The motion passed.

Mike Harris brought up the issue of inadequate parking spaces on the campus, and moved that all reserved parking a second for students, on a first come first serve basis.

Kathy Mclure said that the faculty are there to benefit us, and should be allowed to have reserved parking spaces. Lynn Flarrity said that the reserved parking spaces are messessary for the faculty because if a student is late to his class, only he is affected, but if an instructer is late to a class, the whole class is affected.

Dennis called for a vote on the motion. The Motion failed.

Mids Harris also moved that all faculty and student signs be taken off all of the restrooms. Greg sconded the motion. The motion passed.

Mike Hughes, a guest to C.S.A. from Alone College reported that Dac, 2I, and 24 was the date set for the C.C.C.S.G.A. Conference in Anehyme. Mr. Hughes said that one of the resolutions brought up in the up coming conference was a raise for vetering declaration giving them \$350 a month. Mr. Hughes said that he will be on campus for the rest of the week so that anyone wishing any information amount the conference can get in touch with him.

Bill Hall brought up before C.S.A. his plan for a car pool, to be started next semester, and said that the project will cost approximately \$150. Bill said that the \$150 will go to pay keypunch operaters, varified operatirs, and a computer, all of which will be handling approximately 2000 cards which must be key punched and varified for the partici pants of the car pool. Jim Weaver moved to allocate \$150 to Bill Hall for the car pool project. Greg seconded the motion. The motion passed.
