LAND ACKNOWLEDGEMENT

We acknowledge that we gather at Santa Rosa Junior College on the territorial traditional land of the Pomo People in Santa Rosa and the Coast Miwok People in Petaluma, past and present, and honor with gratitude the land itself and the people who have stewarded it throughout the generations. This land acknowledgement calls us to commit to continuing to learn how to be better stewards of the land we inhabit. We recognize that every member of the Santa Rosa Junior College community has benefitted, and continues to benefit, from the use and occupation of this land since the institution’s founding in 1918. Consistent with our values of community and diversity, we have a responsibility to acknowledge and make visible the colleges’ relationship to Native peoples. By offering this Land Acknowledgement, we affirm Indigenous sovereignty and will work to hold Santa Rosa Junior College more accountable to the needs of American Indian and Indigenous peoples.

STUDENT CONSIDERING SONGWRITING CLUB:

She is wondering the best way to get activated and start a club on the campus

Andrew and Josh explained the basics, you need 3 members, an advisor, and going to the weekly ICC meetings.

After this the ICC meetings can vote to activate your club, so it's relatively easy compared to other colleges.

5. **CLUB ACTIVATION & ICC MEMBERSHIP (APPOINTMENTS / REMOVALS / CORRECTIONS)**

The ICC is tasked with the responsibility to determine which district organizations are and are not clubs. At this time, the ICC may choose to 1. Recognize and Activate new clubs to the College, adding to the ICC Membership 2. Inactivate Clubs from the College, removing from the ICC Membership 3. Appoint or Remove ICC Executive Officers 4. Make Corrections to Club Names 5. Merge Clubs, or 6. Change the Type of Club.

A. APPROVAL OF CLUB ACTIVATIONS AND ICC MEMBERSHIP

NOTE: The potential clubs listed below are the clubs that have met activation requirements (filling out a Club Activation Form, Advisor confirmation, etc.) by the time the agenda was created. Other clubs may be activated at this time if they have met all club activation requirements.

MOTION: Vice Chair; **SECOND:** SRJC Esports;

DISCUSSION:

Oak Connections: Mostly to connect with other students and make friendships

Question for Oak Connections: What type of group were you looking to try and join your club? Like a general idea of what the club could be about?

Similarly to International club, Oak Connections would like to make students friends that may be international or just feel out of place

Pre-Physician Assistants: Bring people together that want to pursue a career in a Pre-Physician Assistant field

MOTION TO APPROVE: Oak Connections and Pre-Physician Assistants (PA) Club

OUTCOME: Approved without objection.

6. **REPORTS**

A. CLUB REPORTS

MECHA: In light of the current political climate they are distributing yellow and red cards to immigrants to help with what problems may arise.

Question: Who is your advisor and where can students get info on the cards? Meeting is every Monday in the intercultural center, our advisor is Raphael

Psi-Beta: Fundraiser with See's candy till the 31st and if you order from the storefront you can get Valentine's Day chocolate to support the club.

ESL Moves: We use the same idea to partner with MECHA about the yellow and red cards to give out to people. If anyone would like one you can grab one at the end of the meeting

B. ICCX REPORTS

Chair: Introducing the ICCX and who club leaders can go to for questions. Everyone is here to help.

C. ADVISOR REPORTS

Josh: Per usual, lots of free stuff by the door if anyone would like to grab on their way out. Passed out personal cards so that clubs can contact Josh on any problems they may have. Also will help communicate what the college needs the clubs to know. A bigger subject to discuss more later would be if an ICE agent would come into campus, and all the faculty are told to direct them straight toward the president's office and nowhere else. (Student asking Josh more specifics about people coming on campus similar to ICE around 8 years ago) Josh mainly explains that people did come on campus a long time ago but it could also not be specifically ICE but different kinds of groups.

7. BUSINESS

A. A motion may come forward to approve dates and funding for Spring 2025 Club Days

- **LEAD(S):** ICCX

DATE(S): February 12th, March 12th, April 9th, and May 7th **TIMES:** 11am-2pm

BUDGET: \$2,250

MOTION: Vice Chair; **SECOND:** Treasurer; **DISCUSSION:**

In the Constitution it technically says that we only need to do one club day, however it's more fun to do it around once a month throughout the semester. The budget is mainly for all the club days combined, most of it for money and drinks during club day.

Questions: Does the time overlap with ICC? Yes on club days the ICC does not meet at all.

Do we have a theme for the first club day: Most likely a valentine's day theme for the first club day

OUTCOME: A roll call vote was held, and the item was approved unanimously.

B. A motion may come forward to approve a date and funding for an end of the year Inter-Club Council Celebration

- **LEAD(S):** ICCX

DATE: May 14th; **TIME:** 1:30-3pm

BUDGET: \$650

MOTION: Vice Chair; **SECOND:** Esports; **DISCUSSION:**

Traditionally we do a big celebration for the final ICC meeting and spend money to buy food/activities.

OUTCOME: A roll call vote was held, and the item was approved unanimously.

8. COMMUNICATIONS FROM THE FLOOR:

Announcements/future meeting requests/questions?

Last minute thing from Josh:

Currently he is filling in for Zack because he is gone on paternity leave, so annoy Josh a lot if he hasn't responded to any messages for him.

How long does the submission take for club paperwork?

Mostly a couple days, it usually depends the biggest on advisors sending in their approval

9. ADJOURNMENT; END TIME: 2:11pm
