LAND ACKNOWLEDGEMENT

We acknowledge that we gather at Santa Rosa Junior College on the territorial traditional land of the Pomo People in Santa Rosa and the Coast Miwok People in Petaluma, past and present, and honor with gratitude the land itself and the people who have stewarded it throughout the generations. This land acknowledgement calls us to commit to continuing to learn how to be better stewards of the land we inhabit. We recognize that every member of the Santa Rosa Junior College community has benefitted, and continues to benefit, from the use and occupation of this land since the institution's founding in 1918. Consistent with our values of community and diversity, we have a responsibility to acknowledge and make visible the colleges' relationship to Native peoples. By offering this Land Acknowledgement, we affirm Indigenous sovereignty and will work to hold Santa Rosa Junior College more accountable to the needs of American Indian and Indigenous peoples.

New coordinator for Lindley center room: Open for clubs to make things for their club, it's open this Friday for a 3D printer workshop. Maker's space, large 3D printers with laser cutters and free to all students with safety certification.

Songwriting club approved soon: Received yellow and red cards at the last meeting and would like to stress the importance of what's going on campus and around the country.

A. **APPROVAL OF CLUB ACTIVATIONS AND ICC MEMBERSHIP**

NOTE: The potential clubs listed below are the clubs that have met activation requirements (filling out a Club Activation Form, Advisor confirmation, etc.) by the time the agenda was created. Other clubs may be activated at this time if they have met all club activation requirements.

MOTION: Art Club; **SECOND:** History Students Association; **DISCUSSION:**

- **Doyle Student Council:** Making a space for students who live on campus and are trying to bridge the gap between the clubs and those students. More involvement between students and the school itself.
- **Helping Hands:** Fostering a community of philanthropists, goals are to create a space so that people can find causes to help themselves. More hands on events for the club with helping around locally with volunteering.
- **Triathletes:** Sports club on swimming, biking, and running. Even if you don't have a bike there are other ways that you are able to join and participate in the club. Performing in the west coast triathlete conference on March 2nd and if the club can perform well they can hopefully go higher up in the ladder. Meeting on Monday 12-1 on the pool deck, this is the main necessary meeting but they will plan more bigger ones in the future.
- **Vitae Lampada:** Almost like a poetry club and just bouncing off ideas with each other. Just a fun club to foster imaginative thinking with writing and maybe even getting them published.
- **AD HOC LearnToBe:** The club was not here, but they sent in a message. It's a tutoring club so that students can get the support that is needed for students.

MOTION: Approve all the clubs listed above; **OUTCOME:** Approved without objection.

6. REPORTS

A. CLUB REPORTS

Rotaract: Opportunity with partnering with SSU, called Walk with Us and suicide prevention. QR code was also passed and shown around the room

Poli Sci: First meeting today at 4, they will have food and just a chill conversation. Emeritus 1523

Art Club: First meeting today from 3-5 after the ICC meeting in the same room

Student Council club: Anyone is allowed to attend at the Great Room on the 28th at 7pm

B. ICCX REPORTS

Chair: Talked with financial aid people, they are paying for pizza. February 12th is the first club day, from 11 am to 2 pm. We will be outside Emeritus in that quad area instead of outside Bertolini. Valentine's day will be the theme of the whole club day. **Vegan Pizza?** We can talk to them about that. **Power Outlets?** There should be some around the area, Josh and Andrew need to walk around and check. New rules on food relating to club day: Any event where catering is under \$200 we don't have to talk to food service at all, so if you want to get premade cookies/muffins/stuff like that you can get those without the hassle. **Utilizing Fundraisers that the clubs can use?** Clubs have done dine and donates in the past and gotten donations from people toward that specific club. Normally just ask Melissa about any financial questions that you have relating to club funds.

Secretary: Just a quick reminder for everyone, if you come it late just walk over and let me know, you won't be interrupting the meeting or anything it just makes it a lot easier since it's hard to remember everyone's clubs.

Marketing Coordinator: There is now an ICC instagram account if you'd like the ICC to repost anything about your club

C. ADVISOR REPORTS

Josh: Everything in the back of the room is free, just get creative with what you grab and how you can use it. Specific requirement for new club stipend is that you need to attend the next meeting after activation, so please be attending the meetings. Also you can get a mini ICC pin if you are a club, so make sure to grab those since they are cool.
