LAND ACKNOWLEDGEMENT

We acknowledge that we gather at Santa Rosa Junior College on the territorial traditional land of the Pomo People in Santa Rosa and the Coast Miwok People in Petaluma, past and present, and honor with gratitude the land itself and the people who have stewarded it throughout the generations. This land acknowledgement calls us to commit to continuing to learn how to be better stewards of the land we inhabit. We recognize that every member of the Santa Rosa Junior College community has benefitted, and continues to benefit, from the use and occupation of this land since the institution’s founding in 1918. Consistent with our values of community and diversity, we have a responsibility to acknowledge and make visible the colleges’ relationship to Native peoples. By offering this Land Acknowledgement, we affirm Indigenous sovereignty and will work to hold Santa Rosa Junior College more accountable to the needs of American Indian and Indigenous peoples.

B. **ICCX REPORTS**

- Intro to Poll Everywhere

Sarah Martin: In charge of campus scheduling for club meetings, club days, etc. If you need help with submitting requests for club meetings/fundraisers, please ask Sarah, Andrew, Josh, other ICC officers will be ready to help you if needed. Club day is a great day for everyone's clubs to fundraise for money and plan future events. Online page you can submit events or schedule a room for the semester.

smartin3@santarosa.edu is her email, though Andrew/Josh can totally also connect club leaders with her.

Andrew: Would like to emphasize the food and catering for events, and reaching out about what things you need during events. No new information about club day specifically, just walked around Emeritus and didn't see a whole lot of outlets. We might have to only have a couple clubs actually using electricity for their booths. Reminder Feb. 12th is the first club day from 11-2.

C. ADVISOR REPORTS

- **Melissa:** Schedule a time to meet with Melissa if you would like her to use the JC credit card and help pay for whatever you need. If you go to the ICC page and funding you can find the resources needed to submit requests for money or using your own club balance. Please wait to buy anything until you've actually gotten approved, since it would suck if you didn't get reimbursed for your purchase. Josh also has added Paypal and Venmo links at the bottom of each individual club page for people to donate.
- **Josh:** He has a lot going on, so please annoy him as much as possible. Josh presents a slideshow about what clubs have done in the past and what you can accomplish as a club.

MOTION: SRJC Esports; **SECOND:** Film Club; **DISCUSSION:**

The Speech and Debate club does a lot at many events throughout the country. This money is able to help them go to these huge events and participate.

Any info on current club balance? Doesn't have the information on them, but many of the current funds are getting used to help go to the tournaments right now. Recently they hosted a high school tournament at the JC, and plans to do much more in the future. There is a button maker in the club room that clubs can use to make buttons for events/club members.
