LAND ACKNOWLEDGEMENT

We acknowledge that we gather at Santa Rosa Junior College on the territorial traditional land of the Pomo People in Santa Rosa and the Coast Miwok People in Petaluma, past and present, and honor with gratitude the land itself and the people who have stewarded it throughout the generations. This land acknowledgement calls us to commit to continuing to learn how to be better stewards of the land we inhabit. We recognize that every member of the Santa Rosa Junior College community has benefitted, and continues to benefit, from the use and occupation of this land since the institution's founding in 1918. Consistent with our values of community and diversity, we have a responsibility to acknowledge and make visible the colleges' relationship to Native peoples. A. CLUB REPORTS

QUAD A: Created a document for monthly activities and just ideas that clubs could do. Going to email josh about it if anyone wants to join

Psi Beta: March 22nd from 7:30-9 at Snoopy's Home Ice fundraiser

Help students by bringing books into the inter-cultural center if you have any extras that you don't use

Espejo de mi Alma: Practice every friday for anyone who would like to join/watch

Black Student Union: Technology dropoff starting on Friday, so you can bring in your old tech they can trade them in for gift cards to help people in Southern California

Rotaract at the JC and SSU: doing a walk for suicide prevention and mental health

Ice Hockey: Had two games last weekend, well over 200+ people in attendance. Another

History Students Association: Meeting on Thursdays 2-3 at Emeritus 1596. Every week, and this week they are just figuring out themes/topics to talk about for the rest of the semester.

B. ICCX REPORTS

Brian: Made the ICC instagram account, so if you want us to post anything about your club send us the info about it

Andrew: Big important thing is club day happening next week. If it is raining, the clubs will be in the dining commons instead of outside in the Emeritus Quad. Really encouraging baked good sales for the clubs to fundraise. Make sure you only sell fundraised food that was made in a food safe kitchen.

C. ADVISOR REPORTS

Melissa: She printed out some venmo and QR codes you can have at your table. Use this to pay and make sure to list your club when you send the money. If you need a cash box, please come see Melissa that Wednesday morning so you can grab it.

Josh: Just a little influx of people semi treating Josh like a parent instead of an advisor/staff. We are all club leaders and we can do our own thing, so you don't necessarily need to ask Josh about everything all the time. STEM Building is also holding a laser cutting/engraving training, tomorrow from 2-5pm. Lastly, all the club information on the website should be up to date.

MOTION: Art Club

SECOND: Film Club

DISCUSSION:

Psi Beta: This chapter activation fee is so that the club can get recognized with the nation psychology honors society. It gives them access to field trips, scholarships, and opportunities for the club students.

For general club events, usually clubs wait a little closer to the events? They have submitted this awhile ago and started planning for the events and they are going on this month.

Where would the general club event money go? It's just for all the events that they will be planning this month

Are you planning on fundraising during club day/other ways to get money? The only fundraising that they are currently able to do is just the snoopy's home ice event in March

Just want a bit more clarification on the general club events? They had done a lot out of pocket last semester and don't really want to do that this semester.
