LAND ACKNOWLEDGEMENT

We acknowledge that we gather at Santa Rosa Junior College on the territorial traditional land of the Pomo People in Santa Rosa and the Coast Miwok People in Petaluma, past and present, and honor with gratitude the land itself and the people who have stewarded it throughout the generations. This land acknowledgement calls us to commit to continuing to learn how to be better stewards of the land we inhabit. We recognize that every member of the Santa Rosa Junior College community has benefitted, and continues to benefit, from the use and occupation of this land since the institution’s founding in 1918. Consistent with our values of community and diversity, we have a responsibility to acknowledge and make visible the colleges’ relationship to Native peoples. By offering this Land Acknowledgement, we affirm Indigenous sovereignty and will work to hold Santa Rosa Junior College more accountable to the needs of American Indian and Indigenous peoples.

B. ICCX REPORTS

- Budget Gone, But Not?

- Graduation Club Day!
- 4/30 ICC Meeting #25?

Andrew: Photo booth approved for graduation club day. It'll be super fun, and will have a lot of good food there. While the budget in the agenda says it's a lot lower, we actually haven't spent all of that mostly just have it allocated. Hopefully there won't be an ICC meeting next week so we can better prepare for club days. ICCX elections on May 14th

C. ADVISOR REPORTS

Josh: By next semester, we will be moving into a different meeting space for ICC meetings. Hopefully it will kinda be transformed into a student lounge area as well. If you want help, Josh can help you make a custom website for you in the SRJC club pages. Lastly, just to plant the seed of a different ICC meeting time. As if we do ICC meetings during the same timeframe of club days, we know for a fact that all the leaders are open during that time.

Melissa: If you want to do any reimbursements make sure to fill out the forms needed and attached receipts.
