B. A motion may come forward to discuss a plan for the End of Year Banquet.

Lead: Michael Vu

Motion: Jimmy Brock

Second: Matti Cottrell

Outcome: Motion Passes

Budget: \$1000

Discussion on having solo event or staggered event with Unity through Community event first week of May Friday or Saturday. Possibly having a brunch banquet, dress up but have a relaxed banquet. Event in the past lasted about 2 hrs. Has included a variety of full course meal but 1,000 might be too low for that. Would we be able to execute both events? Maybe doing the event a week after unity through community.

Clarification on unity through community event: event where student groups get together in unity, with community involvement. This event was approved by SGA.

Discussion on banquet being open to all and more accessible.

Invite every club to pick two representatives to participate in ceremony possibly ICC rep and club president so that we could have a fancier event.

If we do event with Community through unity, possibly hire catering/decorating? Fresh natural catering but we do need to do decoration.

What is the theme: A night in Hollywood?

Create an ad hoc committee for the banquet, meeting Tuesday or Thursday.
